BILLING CODE 6325-39-P

Rule 301 and Forms ATS and ATS-R, SEC File No. 270-451, OMB Control No. 3235-0509.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation ATS provides a regulatory structure for alternative trading systems. Regulation ATS allows an alternative trading system to choose between registering as a broker-dealer and complying with Regulation ATS, or registering as a national securities exchange. Regulation ATS provides the regulatory framework for those

alternative trading systems that choose to be regulated as broker-dealers. Rule 301 of Regulation ATS contains certain notice and reporting requirements, as well as additional obligations that apply only to alternative trading systems with significant volume. The Rule requires all alternative trading systems that wish to comply with Regulation ATS to file an initial operation report on Form ATS. The initial operation report requires information regarding operation of the system including the method of operation, access criteria and the types of securities traded. Alternative trading systems are also required to supply updates on Form ATS to the Commission, describing material changes to the system, and quarterly transaction reports on Form ATS-R. Alternative trading systems are also required to file cessation of operations reports on Form ATS.
