**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Juanita Perry, Department of Housing and Urban Development, 451 Seventh

Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Office of Enterprise Support Programs, Program Support Center, HHS, room 12-07, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For

complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

**Deepwater Horizon Oil Spill; Draft  
Programmatic and Phase III Early  
Restoration Plan and Draft Early  
Restoration Programmatic  
Environmental Impact Statement**

**AGENCY:** Interior.

**ACTION:** Notice of availability; request  
for comments.

**SUMMARY:** In accordance with the Oil  
Pollution Act of 1990 (OPA) and the  
National Environmental Policy Act  
(NEPA), the Federal and State natural  
resource trustee agencies (Trustees)  
have prepared a Draft Programmatic and  
Phase III Early Restoration Plan and  
Draft Early Restoration Programmatic  
Environmental Impact Statement (Draft  
Phase III ERP/PEIS). The Draft Phase III  
ERP/PEIS considers programmatic  
alternatives to restore natural resources,  
ecological services, and recreational use  
services injured or lost as a result of the  
*Deepwater Horizon* oil spill. The  
restoration alternatives are comprised of  
early restoration project types; the  
Trustees additionally propose forty-four  
specific early restoration projects that  
are consistent with the proposed early  
restoration program alternatives. The  
Trustees have developed restoration  
alternatives and projects to utilize funds  
for early restoration being provided  
under the Framework for Early  
Restoration Addressing Injuries  
Resulting from the *Deepwater Horizon*  
Oil Spill (Framework Agreement)  
discussed below. Criteria and evaluation  
standards under the OPA natural

resource damage assessment regulations  
and the Framework Agreement guided  
the Trustees' consideration of  
programmatic restoration alternatives.  
The Draft Phase III ERP/PEIS evaluates  
these restoration alternatives and  
projects under criteria set forth in the  
OPA natural resource damage  
assessment regulations and the  
Framework Agreement. The Draft Phase  
III ERP/PEIS also evaluates the  
environmental consequences of the  
restoration alternatives and projects  
under NEPA. The purpose of this notice  
is to inform the public of the availability  
of the Draft Phase III ERP/PEIS and to  
seek public comments on the document.

This Notice of Availability also serves  
as notice that the Trustees intend to use  
components of existing restoration  
projects, as further described in the  
Draft Phase III ERP/PEIS, as required by  
15 CFR 990.56(b)(3). In those instances,  
the projects were previously developed  
with public review and comment and  
are subject to current public review and  
comment; are adequate to compensate  
the environment and public as part of  
the Trustees' ongoing early restoration  
efforts; address resources that have been  
identified by Trustees as being injured  
by the *Deepwater Horizon* oil spill; and  
are reasonably scalable for early  
restoration purposes.

**DATES:**

*Comments Due Date:* We will  
consider public comments received on  
or before February 4, 2014.

*Public Meetings:* The Trustees have  
scheduled a series of public meetings to  
facilitate public review and comment on  
the Draft Phase III ERP/PEIS. Both  
written and verbal public comments  
will be taken at each public meeting.  
The Trustees will hold an open house  
for each meeting followed by a formal  
meeting. Each public meeting will  
include a presentation of the Draft Phase  
III ERP/PEIS. The public meeting
