BILLING CODE 4310-40-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-879]

Advisory Opinion Proceeding; Certain Sleep-Disordered Breathing Treatment Systems and Components Thereof; Institution of an Advisory Opinion Proceeding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to institute an advisory opinion proceeding in the above-captioned investigation.

FOR FURTHER INFORMATION CONTACT:

Amanda Pitcher Fisherow, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2737. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted the underlying investigation on April 25, 2013, based on a complaint filed on March 28, 2013, and supplemented on April 19, 2013, on behalf of ResMed Corp. of San Diego, California; ResMed Inc. of San Diego, California; and ResMed Ltd. of Australia (collectively, "ResMed"). 78 FR 25475 (May 1, 2013). The complaint alleged violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the sale for importation, importation, or sale within the United States after importation of certain sleep-disordered breathing treatment systems and components thereof by reason of

infringement of claims 1, 2, 4, 5, 17, and 28 of U.S. Patent No. 6,216,691, claims 1 and 20 of U.S. Patent No. 6,935,337, claim 15 of U.S. Patent No. 7,159,587, claims 1, 5, 6, 11, 12, 18–20, 35, and 36 of U.S. Patent No. 7,487,772, claims 1–7 of U.S. Patent No. 7,614,398, claims 59, 60, 63, and 72–75 of U.S. Patent No. 7,743,767, and claims 17, 21–24, 29, and 32–37 of U.S. Patent No. 7,997,267. The Commission's notice of investigation named as respondents Apex Medical Corp. of New Taipei City, Taiwan and Apex Medical USA Corp. of Brea, California (collectively, "Apex") and Medical Depot Inc., d/b/a Drive Medical Design & Manufacturing of Port Washington, New York. The Office of Unfair Import Investigations participated in the investigation.

Medical Depot Inc. and Apex were previously terminated from the investigation on the basis of consent orders. Order Nos. 8 (unreviewed by the Commission, July 18, 2013) and 11 (unreviewed by the Commission, Aug. 8, 2013).

On September 23, 2013, Apex filed a request with the Commission asking for institution of an advisory opinion proceeding to declare that their redesigned sleep-disordered breathing treatment systems are not covered by the consent order. Apex also requests that the proceeding be conducted expeditiously. ResMed filed a response on October 18, 2013 opposing Apex's request.

The Commission has determined that Apex's request complies with the requirements for institution of an advisory opinion proceeding under Commission rule 210.79. Accordingly, the Commission has determined to institute an advisory opinion proceeding and referred Apex's request to the Chief Administrative Law Judge to designate a presiding administrative law judge. The following entities are named as parties to the proceeding: (1) Complainant ResMed; (2) respondent Apex; (3) the Office of Unfair Import Investigations.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: December 11, 2013.

Lisa R. Barton,

Acting Secretary to the Commission.

BILLING CODE 7020–02–P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–503–504 and 731–TA–1229–1230 (Preliminary)]

Monosodium Glutamate From China and Indonesia

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from China and Indonesia of monosodium glutamate, provided for in subheading 2922.42.10 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV) and subsidized by the Governments of China and Indonesia.

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR § 207.2(f)).

Background

On September 16, 2013, a petition was filed with the Commission and Commerce by Ajinomoto North America Inc. ("AJINA"), Itasca, Illinois, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of monosodium glutamate from China and Indonesia that are subsidized by the Governments of China and Indonesia. Accordingly, effective September 16, 2013, the Commission instituted countervailing duty investigation Nos. 701–TA–503–504 and antidumping duty investigation Nos. 731–TA–1229–1230 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of September 20, 2013 (78 FR 57881). The conference was held in Washington, DC, on October 23, 2013, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on November 18, 2013. The views of the Commission are contained in USITC Publication 4437 (November 2013), entitled *Monosodium Glutamate from China and Indonesia: Investigation Nos. 701–TA–503–504 and 731–TA–1229–1230 (Preliminary)*.

By order of the Commission.

Issued: November 19, 2013.

Lisa R. Barton,

Acting Secretary to the Commission.
