AGENCY: Export-Import Bank of the United States.

ACTION: Submission for OMB review and comments request.

Form Title: EIB 10-02 Application for Short-Term Express Credit Insurance Policy.

SUMMARY: The Export-Import Banks of the United States (Ex-Im Bank), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

This collection of information is necessary, pursuant to 12 U.S.C. 635(a)(1), to determine eligibility of the applicant for Ex-Im Bank assistance.

The application tool can be reviewed at: http://exim.gov/pub/pending/eib10_02.pdf.

DATES: Comments must be received on or before January 21, 2014 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on www.regulations.gov (EIB-2013-0048) or by mail to Office of Information and Regulatory Affairs, 725 17th Street NW, Washington, DC 20038 Attn: OMB 3048-EIB10-02.

SUPPLEMENTARY INFORMATION:

Title and Form Number: EIB 10-02 Application for Short-Term Express Credit Insurance Policy.

OMB Number: 3048-0031.

Type of Review: Regular.

Need and Use: This form is used by an exporter (or broker acting on its behalf) in order to obtain approval for coverage of the repayment risk of export sales. The information received allows Ex-Im Bank staff to make a determination of the eligibility of the applicant and the creditworthiness of one of the applicant's foreign buyers for Ex-Im Bank assistance under its programs.

This is the application form for use by small U.S. businesses with limited export experience. Companies that are eligible to use the Express policy will need to answer approximately 20 questions and sign an acknowledgement of the certifications that appear on the reverse of the application form. This program does not provide discretionary credit authority to the U.S. exporter, and

therefore the financial and credit information needs are minimized.

This revised form requests additional information about sales by affiliates, U.S. content of the product, and foreign buyers. By requesting this information in the application form, Ex-Im Bank will no longer need to separately request additional information from the applicant in order to process the application.

Affected Public: This form affects entities involved in the export of U.S. goods and services.

FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Submitted for Review and Approval to the Office of Management and Budget (OMB)

AGENCY: Federal Communications Commission (FCC).

ACTION: Notice; request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3502-3520), the FCC invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimates; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of

information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB Control Number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB Control Number.

DATES: Written PRA comments should be submitted on or before January 21, 2014. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Submit your PRA comments to Nicholas A. Fraser, Office of Management and Budget (OMB), via fax at 202-395-5167, or via the Internet at Nicholas.A.Fraser@omb.eop.gov and to Leslie Smith, Office of Managing Director (OMD), Federal Communications Commission (FCC), via the Internet at Leslie.Smith@fcc.gov. To submit your PRA comments by email, send them to: PRA@fcc.gov.

Title: CORES Registration Form, FCC Form 160.

Form Number: FCC Form 160.

Type of Review: Extension of a currently approved collection.

Respondents: Businesses or other for-profit entities; Individuals or households; Not-for-profit institutions; and State, Local, or Tribal Governments.

Number of Respondent and Responses: 93,000 respondents; 93,000 responses.

Estimated Time per Response: 10 minutes (0.167 hours).

Frequency of Response: One time reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in the *Debt Collection Act of 1996 (DCCA)*, Public Law 104-134, Chapter 10, Section 31001.

Total Annual Burden: 15,531 hours.

Total Annual Cost: None.

Privacy Impact Assessment: A Privacy Impact Assessment (PIA) covering the information system for this information collection, which is posted at: http://transition.fcc.gov/omd/privacyact/Privacy_Impact_Assessment.html.

Nature and Extent of Confidentiality: The FCC is not requesting that

respondents submit confidential information to the Commission. If the FCC requests that respondents submit information which respondents believe is confidential, respondents may request confidential treatment of such information pursuant to Section 0.459 of the FCC's rules, 47 CFR Section 0.459. The FCC has a system of records, FCC/OMD-9, "Commission Registration System (CORES)," to cover the collection, purpose(s), storage, safeguards, and disposal of the personally identifiable information (PII) that individual respondents may submit on FCC Form 160, which is posted at: <http://transition.fcc.gov/omd/privacyact/records-systems.html>.

The FCC will also redact PII submitted on this form before it makes FCC Form 160 available for public inspection. FCC Form 160 includes a "privacy statement" to inform applicants (respondents) of the FCC's need to obtain the information and the protections that the FCC has in place to protect PII.

Needs and Uses: Respondents use FCC Form 160 to register in the FCC's Commission Registration System (CORES). When registering, the respondent receives a unique FCC Registration Number (FRN), which is required for anyone doing business with the Commission. Respondents may also register in CORES on-line at www.fcc.gov/frnreg. FCC Form 160 is used to collect information that pertains to the entity's name, address, contact representative, telephone number, email address(es), and fax number. The Commission uses this information to collect or report on any delinquent debt arising from the respondent's business dealings with the FCC, including both "feeable" and "nonfeeable" services; and to ensure that registrants (respondents) receive any refunds due. Use of the CORES System is also a means of ensuring that the Commission operates in compliance with the *Debt Collection Improvement Act of 1996 (DCCA)*, Public Law 104-134, Chapter 10, Section 31001.

The FCC is currently sending confirmations of CORES registrations and updates by U.S. Postal Service. The FCC will transition to sending confirmations by email where we have email addresses for the CORES registrants. This is being done because: (1) emailing confirmations instead of sending hard copies will save the FCC considerable money, including labor, paper and postage; and (2) additionally, it is more efficient to transmit confirmations electronically on a real-time base.
