

- Warehouse Withdrawal: Quota/Visa and Antidumping and Countervailing Duty (Type 38);

- Government Entries: Defense Contract Management Area Office (DCMAO) (Type 51); and

- Government Entries: Federal Agencies other than DCMAO (Type 52).

The Centers of Excellence and Expertise Trade Process Document is posted on the following Web site: [http://cbp.gov/xp/cgov/trade/trade\\_transformation/industry\\_int/](http://cbp.gov/xp/cgov/trade/trade_transformation/industry_int/).

The Centers will not process any entries related to Foreign-Trade Zone Admissions (Type 26) and Transportation Entries (Types 61, 62, and 63).

Second, CBP is modifying its approach regarding the processing of Consumption Entries: Antidumping and Countervailing Duty (Type 03). Specifically, antidumping and countervailing duty entries filed with CBP by a test participant, before the participant joined the Center test, will be processed by the port directors. All antidumping and countervailing duty entries filed during participation in the Center test will be processed by the Center directors.

### III. Waiver of Additional Regulation for the Center Test

Currently, pursuant to the CBP regulations in title 19 of the Code of Federal Regulations (19 CFR), Port Directors have the authority to make decisions regarding merchandise imported and entered within the CBP ports of entry. In the General Notices published in the **Federal Register** (77 FR 52048 and 78 FR 20345) on August 28, 2012 and April 4, 2013, CBP stated that it was waiving certain regulations in title 19 of the CFR (19 CFR) to the extent to provide the Center Directors with the authority to make the decisions that were otherwise reserved for the Port Directors. This document also waives § 10.847(c) of title 19 of the CFR (19 CFR 10.847(c)) so as to allow test participants to submit their corrected claim for duty-free treatment under 19 CFR 10.847(a) to the Center where the

claim was originally filed rather than with the CBP port.

Moreover, while it is not necessary to waive additional regulations to transfer to the Centers the CBP functions covered by Subpart O of Part 10, CBP notes that all CBP related functions associated with Subpart O of Part 10 will be handled by the Centers.

Any waiver of regulations made in this document or the previously published documents apply only to test participants.

### IV. Submission of Responses to Requests for Information (CBP Form 28) and Notices of Action (CBP Form 29)

In the Center test notices that were published in the **Federal Register** (see 77 FR 52048 and 78 FR 20345), CBP noted that Center participants would be required to submit timely responses to Requests for Information (CBP Form 28) and Notices of Action (CBP Form 29) directly to the Center. This document seeks to clarify that the submissions of written responses to CBP Form 28 and CBP Form 29 must be sent electronically to the test participant's designated Center.
