Live Meeting Connection: <https://www.livemeeting.com/cc/cdc/join?id=JKQMG2&role=attend&pw=ABRWH>; Meeting ID: JKQMG2; Entry Code: ABRWH

Status: Open to the public, limited only by the space available. The meeting space accommodates approximately 150 people.

Background: The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include providing advice on the development of probability of causation guidelines which have been promulgated by the Department of Health and Human Services (HHS) as a final rule, advice on methods of dose reconstruction which have also been promulgated by HHS as a final rule, advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program, and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC).

In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to the CDC. NIOSH implements this responsibility for CDC. The charter was issued on August

3, 2001, renewed at appropriate intervals, and will expire on August 3, 2015.

Purpose: This Advisory Board is charged with a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and c) upon request by the Secretary, HHS, advise the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

Matters To Be Discussed: The agenda for the Advisory Board meeting includes: NIOSH Program Update; Department of Labor Program Update; Department of Energy Program Update; SEC petitions for: Joslyn Manufacturing and Supply Company (Fort Wayne, IN) and Kansas City Plant (Kansas City, MO); SEC Issues Work Group Report on “Sufficient Accuracy”/Co-Worker Dose Modeling; SEC Petitions Update, and Board Work Sessions.

The agenda is subject to change as priorities dictate.

In the event an individual cannot attend, written comments may be submitted in accordance with the redaction policy provided below. Any written comments received will be provided at the meeting and should be submitted to the contact person below well in advance of the meeting.

Policy on Redaction of Board Meeting Transcripts (Public Comment): (1) If a person making a comment gives his or her personal information, no attempt will be made to redact the name; however, NIOSH will redact other personally identifiable information, such as contact information, social security numbers, case numbers, etc., of the commenter.

(2) If an individual in making a statement reveals personal information (e.g., medical or employment information) about themselves that information will not usually be redacted. The NIOSH Freedom of Information Act (FOIA) coordinator will, however, review such revelations in accordance with the Federal Advisory Committee Act and if deemed appropriate, will redact such information.

(3) If a commenter reveals personal information concerning a living third party, that information will be reviewed by the NIOSH FOIA coordinator, and upon determination, if deemed appropriate, such information will be redacted, unless the disclosure is made by the third party's authorized representative under the Energy Employees Occupational Illness Compensation Program Act (EEOICPA) program.

(4) In general, information concerning a deceased third party may be disclosed; however, such information will be redacted if (a) the disclosure is made by an individual other than the survivor claimant, a parent, spouse, or child, or the authorized representative of the deceased third party; (b)

if it is unclear whether the third party is living or deceased; or (c) the information is unrelated or irrelevant to the purpose of the disclosure.

The Board will take reasonable steps to ensure that individuals making public comment are aware of the fact that their comments (including their name, if provided) will appear in a transcript of the meeting posted on a public Web site. Such reasonable steps include: (a) A statement read at the start of each public comment period stating that transcripts will be posted and names of speakers will not be redacted; (b) A printed copy of the statement mentioned in (a) above will be displayed on the table where individuals sign up to make public comments; (c) A statement such as outlined in (a) above will also appear with the agenda for a Board Meeting when it is posted on the NIOSH Web site; (d) A statement such as in (a) above will appear in the **Federal Register** Notice that announces Board and Subcommittee meetings.

Contact Person For More Information:
Theodore Katz, M.P.A., Designated Federal Officer, NIOSH, CDC, 1600 Clifton Road NE., MS E-20, Atlanta, GA 30333, Telephone: (513) 533-6800, Toll Free: 1-800-CDC-INFO, Email: dcas@cdc.gov.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** Notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Gary J. Johnson,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

Centers for Disease Control and Prevention

Request for Nominations of Candidates To Serve on the CDC/HRSA Advisory Committee on HIV, Viral Hepatitis and STD Prevention and Treatment, Centers for Disease Control and Prevention, Health Resources and Services Administration

The Centers for Disease Control and Prevention (CDC) is soliciting nominations for possible membership on the CDC/HRSA Advisory Committee on HIV, Viral Hepatitis and STD Prevention and Treatment (CHACHSPT).

The CHACHSPT provides advice to the Secretary, HHS; the Director, CDC; and the Administrator, Health Resources and Services Administration (HRSA), on objectives, strategies, policies, and priorities for HIV, Viral

Hepatitis, and STD prevention and treatment efforts including surveillance of HIV infection, AIDS, Viral Hepatitis, other STDs, and related behaviors; epidemiologic, behavioral, health services, and laboratory research on HIV/AIDS, Viral Hepatitis, and other STDs; identification of policy issues related to HIV/Viral Hepatitis/STD professional education, patient healthcare delivery, and prevention services; agency policies about prevention of HIV/AIDS, Viral Hepatitis and other STDs, treatment, healthcare delivery, and research and training; strategic issues influencing the ability of CDC and HRSA to fulfill their missions of providing prevention and treatment services; programmatic efforts to prevent and treat HIV, Viral Hepatitis, and other STDs; and support to the agencies in their development of responses to emerging health needs related to HIV, Viral Hepatitis and other STDs.

The CHACHSPT consists of 18 experts knowledgeable in the fields of public health, epidemiology, laboratory practices, immunology, infectious diseases, drug abuse, behavioral science, health education, healthcare delivery, state health programs, clinical care, preventive health, medical education, health services and clinical research, and healthcare financing, who are selected by the Secretary of the U.S. Department of Health and Human Services (HHS).

Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of the Committee's objectives.

Nominees will be selected from experts having experience in HIV/AIDS, Viral Hepatitis and STD prevention, control and treatment. Experts in the disciplines of epidemiology, laboratory practice, immunology, infectious diseases, drug abuse, behavioral science, health education, healthcare delivery, state health programs, clinical care, preventive health, medical education, health services and clinical research, healthcare financing and other related disciplines will be considered. The committee shall have at least four members who shall be persons living with HIV/AIDS.

Members may be invited to serve for terms of up to four years. The HHS policy stipulates that committee membership be balanced in terms of professional training and background, points of view represented and the committee's function. Consideration is given to a broad representation of geographic areas within the U.S., with equitable representation of the sexes,

ethnic and racial minorities, and persons with disabilities. Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government.

Candidates should submit the following items:

- Current *curriculum vitae*, including complete contact information (telephone numbers, mailing address, email address)
- A letter of recommendation from person(s) not employed by the U.S. Department of Health and Human Services
- A statement indicating the nominee's willingness to serve as a potential member of the Committee.

Nominations should be submitted electronically to zkr7@cdc.gov or in writing, to: Margie Scott-Cseh, Committee Management Specialist, NCHHSTP, CDC, 1600 Clifton Road NE., Mailstop: E07, Atlanta, GA 30333. All nominations must be postmarked by April 30, 2014.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention, and the Agency for Toxic Substances and Disease Registry.
