

the Secretary by email at hearing.docket@nrc.gov, or by telephone at 301-415-1677, to (1) request a digital identification (ID) certificate, which allows the participant (or its counsel or representative) to digitally sign documents and access the E-Submittal server for any proceeding in which it is participating; and (2) advise the Secretary that the participant will be submitting a request or petition for hearing (even in instances in which the participant, or its counsel or representative, already holds an NRC-issued digital ID certificate). Based upon this information, the Secretary will establish an electronic docket for the hearing in this proceeding if the Secretary has not already established an electronic docket.

Information about applying for a digital ID certificate is available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals/apply-certificates.html>. System requirements for accessing the E-Submittal server are detailed in the NRC's "Guidance for Electronic Submission," which is available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>. Participants may attempt to use other software not listed on the Web site, but should note that the NRC's E-Filing system does not support unlisted software, and the NRC Meta System Help Desk will not be able to offer assistance in using unlisted software.

If a participant is electronically submitting a document to the NRC in accordance with the E-Filing rule, the participant must file the document using the NRC's online, Web-based submission form. In order to serve documents through the Electronic Information Exchange System, users will be required to install a Web browser plug-in from the NRC's public Web site. Further information on the Web-based submission form, including the installation of the Web browser plug-in, is available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>.

Once a participant has obtained a digital ID certificate and a docket has been created, the participant can then submit a request for hearing or petition for leave to intervene. Submissions should be in Portable Document Format (PDF) in accordance with NRC guidance available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>. A filing is considered complete at the time the documents are submitted through the NRC's E-Filing system. To be timely, an electronic filing must be submitted to the E-Filing

system no later than 11:59 p.m. Eastern Time on the due date. Upon receipt of a transmission, the E-Filing system time-stamps the document and sends the submitter an email notice confirming receipt of the document. The E-Filing system also distributes an email notice that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the documents on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before a hearing request or petition to intervene is filed so that they can obtain access to the document via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Meta System Help Desk through the "Contact Us" link located on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>, by email to MSHD.Resource@nrc.gov, or by a toll-free call to 1-866-672-7640. The NRC Meta System Help Desk is available between 8 a.m. and 8 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have a good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852, Attention: Rulemaking and Adjudications Staff. Participants filing a document in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service. A presiding officer, having granted an exemption request from using E-Filing, may require a participant or party to use E-Filing if the presiding officer subsequently determines that the

reason for granting the exemption from use of E-Filing no longer exists.

Documents submitted in adjudicatory proceedings will appear in the NRC electronic hearing docket, which is available to the public at <http://ehd1.nrc.gov/ehd/>, unless excluded pursuant to an order of the Commission or the presiding officer. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or home phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. With respect to copyrighted works, participants are requested not to include copyrighted materials in their submission, except for limited excerpts that serve the purpose of the adjudicatory filings and constitute a Fair Use application.

If a person other than Mr. Geisser requests a hearing, that person shall set forth with particularity the manner in which his interest is adversely affected by this Order and shall address the criteria set forth in 10 CFR 2.309(d). If a hearing is requested by a licensee or a person whose interest is adversely affected, the Commission will issue an Order designating the time and place of any hearings. If a hearing is held, the issue to be considered at such hearing shall be whether this Order should be sustained. In the absence of any request for hearing, or written approval of an extension of time in which to request a hearing, the provisions specified in Section IV above shall be final 30 days from issuance without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section IV shall be final when the extension expires if a hearing request has not been received.

Dated at Rockville, Maryland, this 20th day of March 2014.

For the Nuclear Regulatory Commission.
Roy P. Zimmerman,
Director, Office of Enforcement.

SUPPLEMENTARY INFORMATION: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. OMB has approved and issued control numbers for the collections of information, described below, in PBGC's regulations relating to multiemployer plans. OMB approval expires March 31, 2014, or May 31, 2014, as specified below.¹

The collections of information for which PBGC is requesting extension of OMB approval are as follows:

1. Mergers and Transfers Between Multiemployer Plans (29 CFR Part 4231) (OMB Control Number 1212-0022) (expires March 31, 2014)

Section 4231(a) and (b) of ERISA requires plans that are involved in a merger or transfer to give PBGC 120 days' notice of the transaction and provides that if PBGC determines that specified requirements are satisfied, the transaction will be deemed not to be in violation of ERISA section 406(a) or (b)(2) (dealing with prohibited transactions).

This regulation sets forth the procedures for giving notice of a merger or transfer under section 4231 and for requesting a determination that a transaction complies with section 4231.

PBGC uses information submitted by plan sponsors under the regulation to determine whether mergers and transfers conform to the requirements of ERISA section 4231 and the regulation.

PBGC estimates that there are 21 transactions each year for which plan sponsors submit notices and approval requests under this regulation. The estimated annual burden of the collection of information is 5.25 hours and \$6,903.75.

2. Duties of Plan Sponsor Following Mass Withdrawal (29 CFR Part 4281) (OMB Control Number 1212-0032) (expires May 31, 2014)

Section 4281 of ERISA provides rules for plans that have terminated by mass withdrawal. Under section 4281, if nonforfeitable benefits exceed plan assets, the plan sponsor must amend the plan to reduce benefits. If the plan nevertheless becomes insolvent, the plan sponsor must suspend certain benefits that cannot be paid. If available resources are inadequate to pay guaranteed benefits, the plan sponsor must request financial assistance from PBGC.

The regulation requires a plan sponsor to give notices of benefit reduction, notices of insolvency and annual updates, and notices of insolvency benefit level to PBGC and to participants and beneficiaries and, if necessary, to apply to PBGC for financial assistance.

PBGC uses the information it receives to make determinations required by ERISA, to identify and estimate the cash needed for financial assistance to terminated plans, and to verify the appropriateness of financial assistance payments. Plan participants and beneficiaries use the information to make personal financial decisions.

PBGC estimates that plan sponsors of terminated plans each year give benefit

reduction notices for three plans and give notices of insolvency benefit level and annual updates, and submit requests for financial assistance, for 54 plans. Of those 54 plans, PBGC estimates that plan sponsors each year will submit 255 requests (ranging from monthly to annual) for financial assistance. PBGC estimates that plan sponsors each year give notices of insolvency for seven plans. The estimated annual burden of the collection of information is one hour and \$694,089.

Issued in Washington, DC, this 21st day of March, 2014.

Judith R. Starr,

General Counsel, Pension Benefit Guaranty Corporation.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 701, OMB Control No. 3235-0522, SEC File No. 270-306.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") the request for extension of the previously approved collection of information discussed below.

Rule 701 (17 CFR 230.701) under the Securities Act of 1933 ("Securities Act") (15 U.S.C. 77a *et seq.*) provides an exemption for certain issuers from the registration requirements of the Securities Act for limited offerings and sales of securities issued under compensatory benefit plans or contracts. The purpose of Rule 701 is to ensure that a basic level of information is available to employees and others when substantial amounts of securities are issued in compensatory arrangements. Information provided under Rule 701 is mandatory. We estimate that approximately 300 companies annually rely on the Rule 701 exemption and that it takes 2 hours to prepare each response. We estimate that 25% of the 2 hours per response (0.5 hours) is prepared by the company for a total annual reporting burden of 150 hours

¹ These two information collections would be affected by PBGC's recent proposed rule on Multiemployer Plans; Valuation and Notice Requirements, 79 FR 4642 (Jan. 29, 2014). OMB has concluded review of the proposed rule changes to the information collections, leaving the terms of its current approval in effect.
