

of the CSSDA. As required under 49 CFR 1150.33(h)(1), RCP&E provided additional information concerning the interchange commitment.⁸

This transaction is related to a concurrently filed verified notice of exemption in *Genesee & Wyoming Inc.—Continuance in Control Exemption—Rapid City, Pierre & Eastern Railroad, Inc.*, Docket No. FD 35800, wherein GWI seeks Board approval under 49 CFR 1180.2(d)(2) to continue in control of RCP&E, upon RCP&E's becoming a Class II rail carrier.⁹

The earliest the transaction could be consummated is April 25, 2014, the effective date of the exemption (45 days after the exemption was filed).¹⁰ The parties expect to consummate the transaction shortly after the exemption becomes effective, assuming all other conditions to closing have been satisfied by that time.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke would not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than April 11, 2014, which is 14 days before the exemption could become effective.¹¹

An original and 10 copies of all pleadings, referring to Docket No. FD 35799 must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Eric M. Hocky, Clark Hill PLC, One Commerce Square, 2005 Market Street, Suite 1000, Philadelphia, PA 19103.

Board decisions and notices are available on our Web site at www.stb.dot.gov.

Decided: March 24, 2014.

⁸ See Verified Notice of Exemption 7-8.

⁹ The DM&E West Lines also are the subject of an ongoing proceeding before the Board. In that proceeding, the State of South Dakota, by and through its Department of Transportation (State), filed a petition asking the Board to enforce three representations allegedly made by CP during the 2008 acquisition-of-control proceeding regarding investments that CP would make in DM&E and IC&E (collectively in that proceeding, DME). The Board issued decisions allowing the State to engage in discovery concerning those claims and setting a procedural schedule. See *Canadian Pac. Ry.—Control—Dakota, Minn. & E. R.R.*, FD 35081 (Sub-No. 2) (STB served Dec. 20, 2013, and Mar. 10, 2014). Discovery remains ongoing in that proceeding.

Surface Transportation Board

[Docket No. FD 35800]

Genesee & Wyoming Inc.— Continuance in Control Exemption— Rapid City, Pierre & Eastern Railroad, Inc

Genesee & Wyoming Inc. (GWI), a noncarrier, has filed a verified notice of exemption pursuant to 49 CFR 1180.2(d)(2), to continue in control of Rapid City, Pierre & Eastern Railroad, Inc. (RCP&E), a noncarrier, together with other railroads in GWI's corporate family, upon RCP&E's becoming a Class II railroad.

This transaction is related to a concurrently filed verified notice of exemption in *Rapid City, Pierre & Eastern Railroad, Inc.—Acquisition and Operation Exemption Including Interchange Commitment—Dakota, Minnesota & Eastern Railroad Corporation*, Docket No. FD 35799, wherein RCP&E seeks Board approval under 49 CFR 1150.35 to acquire from Dakota, Minnesota & Eastern Railroad Corporation d/b/a Canadian Pacific (DM&E)¹ and to operate approximately 670 miles of rail lines known as the DM&E West Lines.² Upon consummation, RCP&E would own and operate rail lines in Nebraska, Minnesota, South Dakota, and Wyoming.³ RCP&E would also acquire approximately 219 miles of incidental

¹ In *Canadian Pacific Railway—Control—Dakota, Minnesota & Eastern Railroad*, FD 35081 (STB served Sept. 30, 2008), the Board approved an application allowing Canadian Pacific Railway Company (CP) to acquire indirect control of DM&E and DM&E's wholly owned rail subsidiary, Iowa, Chicago & Eastern Railroad Corporation (IC&E).

² The DM&E West Lines also are the subject of an ongoing proceeding before the Board. In that proceeding, the State of South Dakota, by and through its Department of Transportation (State), filed a petition asking the Board to enforce three representations allegedly made by CP during the 2008 acquisition-of-control proceeding regarding investments that CP would make in DM&E and IC&E (collectively in that proceeding, DME). The Board issued decisions allowing the State to engage in discovery concerning those claims and setting a procedural schedule. See *Canadian Pac. Ry.—Control—Dakota, Minn. & E. R.R.*, FD 35081 (Sub-No. 2) (STB served Dec. 20, 2013, and Mar. 10, 2014). Discovery remains ongoing in that proceeding.

³ RCP&E will also be acquiring a line in Nebraska that is currently leased to and operated by Nebraska Northwestern Railroad, Inc.

trackage rights over connecting lines of DM&E and other carriers.

The purpose of this verified notice of exemption is to enable GWI to continue in control of RCP&E, together with the other railroads in GWI's corporate family, upon RCP&E's becoming a Class II carrier. GWI points out that the transaction would allow RCP&E to take advantage of the administrative, marketing, and operational support that GWI can provide. In addition, according to GWI, as a long-term holder of short line railroads, GWI's ownership of RCP&E should provide shippers with the comfort of stable ongoing rail service.

Although this exemption could become effective on April 10, 2014 (30 days after the notice of exemption was filed), the parties do not intend to consummate this transaction until the concurrently filed notice of exemption in Docket No. FD 35799 becomes effective and all other closing conditions have been met. That exemption could become effective on April 25, 2014 (45 days after that exemption was filed).⁴

GWI notes that it currently controls, directly or indirectly, one Class II carrier and 100 Class III carriers operating in the United States.⁵

GWI represents that: (1) None of the railroads controlled by GWI would connect with the rail lines being acquired by RCP&E, or with the incidental trackage rights associated with RCP&E's acquisition; (2) the continuance in control is not part of a series of anticipated transactions that would connect RCP&E with the rail lines of any other carriers in GWI's corporate family; and (3) the transaction does not involve a Class I rail carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. As a condition to the use of this exemption, any employees adversely affected by this transaction will be protected by the conditions set forth in *New York Dock Railway—Control—Brooklyn Eastern District Terminal*, 360k I.C.C. 60 (1979).

⁴ See 49 CFR 1150.35(e).

⁵ GWI was authorized, subject to conditions, to control RailAmerica, Inc., and its subsidiary railroads in *Genesee & Wyoming Inc.—Control—RailAmerica, Inc.*, FD 35654 (STB served December 20, 2012). GWI provides with its notice of exemption a map showing the locations of the GWI-controlled railroads.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke would not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than April 3, 2014 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35800 must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Eric M. Hocky, Clark Hill PLC, One Commerce Square, 2005 Market Street, Suite 1000, Philadelphia, PA 19103.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 1505-0224.

Title: New Issue Bond Program and Temporary Credit and Liquidity Program.

Abstract: Authorized under section 304(g) of the Federal National Mortgage Association Charter Act (12 U.S.C. 1719(g)) and Section 306(l) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1455(l)), as amended by the Housing and Economic Recovery Act (HERA) of 2008 (Pub. L. 110-289; approved July 30, 2008) the Department of the Treasury (Treasury) implemented two programs under the HFA (Housing Finance Agency) Initiative. The statute provides the Secretary authority to purchase securities and obligations of Fannie Mae and Freddie Mac (the GSEs) as he determines necessary to stabilize the financial markets, prevent disruptions in the availability of mortgage finance, and to protect the taxpayer. On December 4, 2009, the Secretary made the appropriate determination to authorize the two programs of the HFA Initiative: The New Issue Bond Program (NIBP) and the Temporary Credit and Liquidity Program (TCLP). Under the NIBP, Treasury purchased securities from the GSEs backed by mortgage revenue bonds issued by participating state and local HFAs. Under the TCLP, Treasury purchased a participation interest from the GSEs in temporary credit and liquidity facilities provided to participating HFAs as a liquidity backstop on their variable-rate debt. In order to properly manage the two programs of the initiative, continue to protect the taxpayer, and assure compliance with the Programs' provisions, Treasury instituted a series of data collection requirements to be completed by participating HFAs and furnished to Treasury through the GSEs.

Estimated Number of Respondents: 66.
