DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5750-N-13]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were

reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the

opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

Notice of Voluntary Confidential Near-Miss Reporting System Public Workshop

AGENCY: Bureau of Safety and Environmental Enforcement, Interior.

ACTION: Notice.

SUMMARY: The U.S. Department of the Interior's Bureau of Safety and Environment Enforcement (BSEE) and the Department of Transportation's Bureau of Transportation Statistics (BTS) have signed an interagency agreement to have BTS develop a Voluntary Confidential Near-Miss Reporting System for use on the Outer Continental Shelf (OCS). The BTS will maintain control of the individual confidential reports but will provide trend analysis and aggregated data to BSEE and the public. The BSEE is

announcing two public workshops to discuss the Voluntary Confidential Near-Miss Reporting System.

DATES: The workshops will be held on April 22, 2014, between 9:00 a.m. and 1:00 p.m. (Pacific Standard Time) and on April 24, 2014, between 9:00 a.m. and 1:00 p.m. (Central Standard Time).

FOR FURTHER INFORMATION CONTACT:

Andre King, Office of Offshore Regulatory Programs, 703-787-1845, email: andre.king@bsee.gov.

SUPPLEMENTARY INFORMATION: In August 2013, BSEE and BTS signed an interagency agreement to develop a Voluntary Confidential Near-Miss Reporting System for use on the Outer Continental Shelf (OCS). The BTS will maintain control of the individual confidential reports but will provide trend analysis and aggregated data to BSEE and the public. The goals of the Voluntary Confidential Near Miss Reporting System are (a) to provide BSEE, offshore companies and workers and all other OCS stakeholders with an opportunity to confidentially submit essential information to BTS about accident precursors and hazards associated with OCS oil and gas operations and (b) to provide all stakeholders with aggregated data and analysis that—in conjunction with incident reports and other sources of information can be used to reduce those hazards and continue building a more robust OCS safety culture.

The BSEE is announcing two public workshops to discuss the Voluntary Confidential Near-Miss Reporting System. The workshops will include presentations by BSEE and BTS and a time for questions and discussion. The purpose of the workshops is to provide the offshore oil and gas industry and other stakeholders with an understanding of the Voluntary Confidential Near Miss Reporting program and an opportunity to contribute to the development of the program. The first workshop will be held on April 22, 2014, at the Radisson Hotel at Los Angeles Airport 6225 W. Century Blvd. Los Angeles, CA 90045. The second workshop will be held on April 24, 2014, at the Houston Airport Marriott at George Bush International, 18700 John F. Kennedy Blvd. Houston, TX 77032.

If you are planning to attend the workshop, BSEE and BTS request that you register by April 11, 2014 at the following web address: <http://www.bsee.gov/near-miss-workshop/>.
