The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Authorized applicants must represent interested parties, as defined by 19 U.S.C. § 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such

access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

The deadline for filing posthearing briefs is August 5, 2014. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before August 5, 2014. On August 19, 2014, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before August 21, 2014, but such final comments must not contain new factual

information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules.
