#### Consultation

A detailed assessment of the human remains was made by the Ohio Historical Society professional staff in consultation with representatives of the Eastern Shawnee Tribe of Oklahoma.

#### History and Description of the Remains

In 1894, human remains representing, at minimum, three individuals, were removed from the area of the Pickaway Plains in the vicinity of Shawneetown, also known as Cornstalk's Town, in Pickaway County, OH, by Warren K. Moorehead. The human remains represent two adults and one subadult. The adults were reported under numbers A4345/2730, 2731, 2732, 2733, 2738 and 2739. The subadult was reported under number A4345/2735. No known individuals were identified. The

three associated funerary objects are a non-diagnostic broken flint projectile point (A4345/2764); a prehistoric projectile point (A4345/2755); and a silver pendant (A14/42), collected by Mr. Marshall Anderson and purchased by the museum in the 1890s.

At the time of removal, the remains were identified as possibly Shawnee. The location of removal, near Shawneetown, supports this identification. The prehistoric projectile point associated with the remains calls this identification into question, but it is possible the object was collected and retained by an historic Shawnee individual. Based on the archeological context, museum records, and consultation, a relationship of shared group identity can be reasonably traced between the human remains and associated funerary objects and the Eastern Shawnee Tribe of Oklahoma.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between human remains and associated funerary objects and the Eastern Shawnee Tribe of Oklahoma.

#### Additional Requestors and Disposition

Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to Bradley Lepper, Ohio Historical Society, 800 East 17th Avenue, Columbus, OH 43211, telephone (614-298-2064, email [blepper@ohiohistory.org](mailto:blepper@ohiohistory.org), by June 16, 2014.
