DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5750-N-23]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing

and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms.

Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: AGRICULTURE:

Notice of Temporary Closure of the Ash Springs Recreation Site on Public Lands in Lincoln County, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: This is to notify the public that a temporary closure is in effect on public lands at the Ash Springs Recreation Site administered by the Bureau of Land Management (BLM) Ely District, Caliente Field Office as authorized under the provisions of the Federal Land Policy and Management Act of 1976 and pursuant to BLM regulations for the protection of persons, property, and public lands and resources.

DATES: This temporary closure is in effect on July 7, 2014, until March 1, 2016.

FOR FURTHER INFORMATION CONTACT:

Victoria Barr, Caliente Field Manager, 775–726–8100, email vbarr@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact Ms. Barr. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question for Ms. Barr. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Ash Springs Recreation Site is located approximately 100 miles north of Las Vegas along U.S. Highway 93 in Pahrangat Valley in Lincoln County. The recreation site is defined by an existing fence and the closed lands are limited to the fenced area. The affected public lands are described as follows:

Mount Diablo Meridian

T. 6 S., R. 61 E. Sec. 6, Lot 8.

The lands described contain 1.18 acres, more or less, in Lincoln County, Nevada.

A temporary closure of the Ash Springs Recreation Site is necessary due to extensive unauthorized modification of a man-made pool and a natural pool by public users that is causing a threat to human safety and degrading habitat for endangered species. During the temporary-closure period, the BLM will work collaboratively with stakeholders to develop a long-term management plan to determine the type and level of use suitable for the area while

protecting critical habitat for the endangered White River springfish. In addition to the endangered springfish, Ash Springs provides habitat for three BLM Nevada sensitive species: Pahrangat naucorid bug, Grated tyronia, and Pahrangat pebblesnail.

The BLM analyzed the temporary closure through Environmental Assessment (EA) DOI–BLM–NV–L030–0032–EA. A 15-day public comment period was provided on the EA which only analyzed the action of temporarily closing the public lands of the Ash Spring Recreation Site to public uses. The BLM would analyze any actions for repairing/rehabilitating the site through a separate decision document in compliance with the National Environmental Policy Act incorporating public comments.

This temporary closure order is posted at the BLM Ely District Office, Ely, Nevada, and at the Caliente Field Office, Caliente, Nevada. This temporary closure applies to all members of the public except: (1) BLM personnel for administrative purposes; (2) Emergency and law enforcement personnel and vehicles while being used for emergency or administrative purposes; and (3) Any person authorized in writing by the Ely District Manager or the Caliente Field Manager. If the BLM is unable to negate the risks to public safety and endangered species habitat within the 2-year timeframe, the BLM will consider extending the temporary closure order.

Penalties: Any person who fails to comply with this temporary closure order is subject to arrest and, upon conviction, may be fined not more than \$1,000 and/or imprisonment for not more than 12 months.

Authority: (Authority: 43 CFR 8364.1)

Victoria Barr,

Manager, Caliente Field Office.
