

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in production to a free-trade country of latex-free surgical incise and fluid control drapes, and other OEM medical products.

Based on these findings, the Department is amending this certification to include workers leased from Baron working on-site at the Woodbury, Minnesota location of the subject firm.

The amended notice applicable to TA-W-85,178 is hereby issued as follows:

All workers from Cardinal Health 200, LLC, Medical—Presource Manufacturing, including on-site leased workers from Adecco Staffing, USA and Baron, including workers whose unemployment insurance (UI) wages were reported through Medical Concepts Development, Woodbury, Minnesota, who became totally or partially separated from employment on or after March 21, 2013, through April 23, 2016, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974, as amended.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications.
