

union to report the identity of credit union officials. Section 748.1(a) of the NCUA Rules and Regulations requires federally insured credit unions to submit a Report of Officials annually to NCUA containing the annual certification of compliance with security requirements. The branch information is requested under the authority of Section 741.6 of the NCUA Rules and Regulations. This particular collection of information is for the Report of Officials of corporate credit unions. The information is used for the supervision of and communication with corporate credit unions.

NCUA is proposing to replace the software with an online application as part of CU Online. This will allow corporate credit unions the ability to access the application from any location as well as reduce the administrative burden and cost associated with the installation and maintenance of the previous credit union software.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2014-0035]

Privacy Act of 1974; Proposed New System of Records

AGENCY: Social Security Administration (SSA).

ACTION: Proposed New System of Records.

SUMMARY: In accordance with the Privacy Act (5 U.S.C. 552a) we are issuing public notice of our intent to establish a new system of records entitled, *Requests for Accommodation from Members of the Public* (60-0378), hereinafter referred to as the *RAMP* system. We are establishing the *RAMP* system to cover information we receive from members of the public with disabilities who request accommodations in order to gain meaningful access to our programs.

Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) provides that no otherwise qualified individual with a disability will, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits

of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by any Executive agency. Section 504 protects "qualified individuals with disabilities," as defined in 45 CFR part 85, as "persons with a physical or mental impairment that substantially limits one or more major life activities." Agencies are required to take appropriate steps to ensure that qualified individuals with a disability are not denied access to the programs and activities the agency conducts because of their disabilities. To ensure compliance with Section 504, the agency may need to provide auxiliary aids or services or modifications to the way it conducts its programs. We will provide accommodations based on five broad categories of impairments: Blind or visual; cognitive or learning; deaf or hard of hearing; mobility or physical; and psychological or emotional. However, individuals who have other types of disabilities may also request an accommodation.

We will use the information we collect to provide accommodations to qualified individuals with disabilities, to provide management information to the agency, and for research and statistical purposes.

DATES: We invite public comment on this new system of records. In accordance with 5 U.S.C. 552a(e)(4) and (e)(11), the public is given a 30-day period in which to submit comments. Therefore, please submit any comments by July 17, 2014.

ADDRESSES: The public, Office of Management and Budget (OMB), and Congress may comment on this publication by writing to the Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, SSA, Room 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, Maryland 21235-6401, or through the Federal e-Rulemaking Portal at <http://www.regulations.gov>. All comments we receive will be available for public inspection at the above address and we will post them to <http://www.regulations.gov>.
