SUPPLEMENTARY INFORMATION:

I. Background

The HUD-VASH program was authorized pursuant to Division K, Title II, of the Consolidated Appropriations Act, 2008 (Public Law 110-161, approved December 26, 2007) under the heading "Tenant-Based Rental Assistance" (FY 2008 Appropriations). The HUD-VASH program combines HCV rental assistance for homeless veterans with case management and clinical services provided by the VA through its community medical centers. The program is administered by PHAs that partner with local VA medical facilities. Since implementation of the program, ongoing VA case management, health, and other supportive services have been made available to homeless veterans at more than 300 VA Medical Center (VAMC) supportive services sites and Community-Based Outpatient Clinics (CBOCs) across the nation. The HUD-VASH program is a key component of reducing homelessness among veterans as outlined in the Administration's Federal Strategy to Prevent and End Homelessness.

Following enactment of the FY 2008 Appropriations, HUD published a notice on May 6, 2008, at 73 FR 25026, which established the policies and procedures for the administration of tenant-based Section 8 HCV rental assistance under the HUD-VASH program. The appropriations acts following the FY 2008 Appropriations Act continued to fund the HUD-VASH program.

By notice published on March 23, 2012, at 77 FR 17086, HUD updated the policies and procedures for the administration of the HUD-VASH program, republishing these policies and procedures in their entirety. In addition to updating the 2008 policies and procedures, the March 23, 2012, notice was also issued to provide new and clarifying guidance regarding several aspects of the program such as those pertaining to certain types of verification documentation, addition of family members after the veteran is a participant in the HCV program, termination of assistance, portability moves within the same catchment area where both PHAs have received HUD-VASH vouchers, portability moves

when case management is no longer required, reallocation of HUD-VASH vouchers, and Housing Quality Standards (HQS) initial inspections.

It was recently brought to HUD's attention that one of the HUD regulations that requires waiver in order to allow HUD-VASH families to live on the grounds of a VA facility in units developed to house homeless veterans was not referenced in either the May 6, 2008, notice or the March 23, 2012, notice. Section II.e. of the May 6, 2008, notice, and Section II.f. of the March 23, 2012, notice, which each address ineligible housing, reference waiver of HUDs regulation at 24 CFR 982.352(a)(5) (which covers section 8 housing choice voucher tenant-based assistance) but inadvertently omitted reference to a corresponding provision covering section 8 project-based voucher assistance, specifically, 24 CFR 983.53(a)(2). The latter provision also must be waived to fulfill HUD's intent of allowing VASH families (whether receiving tenant-based or project-based assistance) to live on the grounds of a VA facility. Although § 983.53(a)(2) was inadvertently omitted in each of these notices, the waiver of § 983.53(a)(2) has been applied by HUD as if the regulatory section had been included in the initial May 6, 2008, notice.

This notice published today corrects the paragraph on ineligible housing in the March 23, 2012, notice to include reference to 24 CFR 983.53(a)(2). Since the March 23, 2012, notice was an update of the May 6, 2008, notice there is no need to make the technical correction to the May 6, 2008, notice.

II. Technical Correction

HUD's notice published on March 23, 2012, at 77 FR 17086, specifically subsection II.f. entitled "Ineligible Housing," and found at 77 FR 17089 (middle column) is corrected to read as follows:

f. Ineligible Housing

HUD-VASH families will be permitted to live on the grounds of a VA facility in units developed to house homeless veterans. Therefore, 24 CFR 982.352(a)(5) and 983.53(a)(2), which prohibit units on the physical grounds of a medical, mental, or similar public or private institution, are waived for that purpose only.

Date: June 12, 2014.

Sandra B. Henriquez,
Assistant Secretary for Public and Indian Housing.

SUMMARY: This document is the Proposed Sale Notice (PSN) for the sale of commercial wind energy leases on the Outer Continental Shelf (OCS) offshore Massachusetts, pursuant to BOEM's regulations at 30 CFR 585.216. BOEM proposes to offer for sale four leases: Lease OCS-A 0500, Lease OCS-A 0501, Lease OCS-A 0502, and Lease OCS-A 0503. BOEM proposes to use a multiple-factor auction format for the lease sale. BOEM invites comments during a 60-day comment period following publication of this notice. The issuance of the leases that would result from this proposed sale would not constitute approval of project-specific plans to develop offshore wind energy. Such plans, expected to be submitted by successful

lessees, will be subject to subsequent environmental and public review prior to a decision to proceed with development.

DATES: Comments should be submitted electronically or postmarked no later than August 18, 2014. All comments received or postmarked during the comment period will be made available to the public and considered prior to publication of the Final Sale Notice (FSN).

All bidders interested in participating in the lease sale who have not previously been qualified by BOEM to participate in this lease sale must submit the required qualification materials by the end of the 60-day comment period for this notice. All qualification materials must be postmarked no later than August 18, 2014.

Authority: This PSN is published pursuant to subsection 8(p) of the OCS Lands Act (43 U.S.C. 1337(p)) (the Act), as amended by section 388 of the Energy Policy Act of 2005 (EPA), and the implementing regulations at 30 CFR Part 585, including 30 CFR 585.211 and 30 CFR 585.216.

Background: The area described for leasing in this PSN is the same as the Wind Energy Area (WEA) that BOEM announced on May 30, 2012, (see Area Identification announcement available at: <http://www.boem.gov/Renewable-Energy-Program/State-Activities/Massachusetts.aspx>). Detailed information regarding the lease areas is provided in the section entitled, "Areas Offered for Leasing."

On November 2, 2012, BOEM published a Notice of Availability (NOA) for the *Commercial Wind Lease Issuance and Site Assessment Activities on the Atlantic Outer Continental Shelf (OCS) Offshore Massachusetts* Environmental Assessment (EA) (77 FR 66185) with a 30-day public comment period. BOEM received 25 comments, which are available at: <http://www.boem.gov/Renewable-Energy-Program/State-Activities/MA/Commercial-Wind-Leasing-Offshore-Massachusetts.aspx>. BOEM has concluded consultations under the Endangered Species Act (ESA) and Magnuson-Stevens Fishery Conservation and Management Act (MSFCMA). BOEM will initiate consultations under the Coastal Zone Management Act (CZMA) concurrent with the publication of a revised EA. BOEM has prepared and executed a programmatic agreement (PA) to guide its consultations under Section 106 of the National Historic Preservation Act (NHPA). The PA provides for consultations to continue through BOEM's decision-making process regarding the approval, approval with modification, or disapproval of a lessee's Site Assessment Plan (SAP), and allows for phased identification and evaluation of historic properties.

Based on the public comments received in response to the EA, the conclusion of required consultations, and public outreach and information meetings, BOEM decided to make certain revisions to the EA originally published in November 2012. As a result of the analysis in the revised EA, BOEM is issuing a Finding of No Significant Impact (FONSI). The *Commercial Wind Lease Issuance and*
