SUPPLEMENTARY INFORMATION: This ICR seeks to maintain PRA authorization for the Job Corps Placement and Assistance

Record, Form ETA-678, which the ETA uses to obtain information about a student's training and subsequent job placement, further education, or military service. The ETA also uses the form to record the name of the placement provider agency. In addition, the ETA uses information collected through the form to evaluate overall program effectiveness. Form ETA-678 is the only form that documents a student's post-center status. Job Corps centers and placement specialists prepare the form for each student separating from a Job Corps center.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0035.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on January 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on August 7, 2013 (78 FR 48197).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0035. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

proposed collection of information, including the validity of the methodology and assumptions used;
