Premium Forwarding Service

Premium Forwarding Service Commercial

The Postal Service provided advance notice of the redesign of commercial reshipment services and an introduction to Premium Forwarding Service Commercial (PFS Commercial™) in **Federal Register** Docket No: 2013-27728 (available at www.gpo.gov). The Postal Service anticipated a systems implementation date of July 2014; however, many of the new features of PFS Commercial could be made available sooner. Therefore, the Postal Service began revising the DMM standards using a phased-in approach. The first phase of PFS Commercial features was implemented January 23, 2014, as announced in *Postal Bulletin* issue 22381.

Effective September 7, 2014, a subsequent phase of system implementation activates the enrollment and postage and fee payments for PFS Commercial (for customers desiring shipments sent by Priority Mail Express™) through the Business Customer Gateway at: <https://gateway.usps.com/bcg/login.htm>. At this time, no changes are being made to enrollment for PFS Commercial customers desiring shipments be sent by Priority Mail.

Resources

The Postal Service provides additional resources to assist customers with this price change for competitive products. These tools include price lists, downloadable price files, and **Federal Register** Notices, which may be found on the Postal Explorer® Web site at pe.usps.com.
