[Docket No. FR–5616–N–02]

HUD Environmental Review Online System (HEROS) Announcement of OMB Approval Number: Environmental Compliance—Recordkeeping Requirements

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This notice announces that the HUD Environmental Review Online System (HEROS) has completed the notice and comment processes and review by the Office of Management and Budget (OMB) as required by the Paperwork Reduction Act, and that OMB has assigned a control number to this system, and the system is available for use.

FOR FURTHER INFORMATION CONTACT: Danielle Schopp, Director, Office of Environment and Energy, Office of Community Planning and Development, Department of Housing and Urban Development, 451 7th Street SW., Room 7250, Washington, DC 20410; telephone number 202–402–4442 (this is not a toll-free number). Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Relay Service at 800–877–8339.

SUPPLEMENTARY INFORMATION:

I. Background

HUD’s Office of Environment and Energy in the Office of Community Planning and Development has developed HEROS, an online system for documenting and managing

environmental reviews. HEROS covers all levels of environmental reviews required for projects covered by HUD’s regulations in 24 CFR part 50 and part 58 and includes on-screen guidance for completing HUD environmental reviews. HEROS increases transparency of environmental reviews by posting them on the OneCPD Resource Exchange for public review.¹ Environmental assessments and many categorically excluded projects completed through HEROS are posted online during public comment periods or archived for a year after completion.²

On December 27, 2013, at 78 FR 78998, and consistent with the Paperwork Reduction Act (PRA), HUD published for public comment, for a period of 60 days, a notice advising of the proposed establishment of HEROS.

In the December 27, 2013, notice, HUD advised that its regulations in 24 CFR part 58, “Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities” requires units of general local government receiving HUD assistance to maintain a written environmental review record for all projects receiving HUD funding documenting compliance with the National Environmental Policy Act (NEPA), the regulations of the Council on Environmental Quality, related federal environmental laws, executive orders, and authorities, and part 58 procedure. (The various laws that authorize this procedure are listed in 24 CFR 58.1(b).)

In the December 27, 2013, notice, HUD also advised that its 24 CFR part 50, “Protection and Enhancement of Environmental Quality,” implements procedures for HUD to perform environmental reviews for projects where review under part 58 is not permitted by law. Under the regulations in 24 CFR part 50, HUD staff complete the environmental review records, but they may use any information supplied by an applicant or contractor, provided HUD independently evaluates the information and is responsible for its accuracy and prepares the environmental finding. There is no required format for applicants and contractors to submit required information, but HEROS would allow these parties to submit environmental information to HUD staff through the system as well. HUD staff will then use HEROS to complete the environmental review record.
