[Docket No. FD 35837]

Patrick D. Broe, OmniTRAX, Inc., and OmniTRAX Holdings, LLC—Continuance in Control Exemption—Brownsville & Rio Grande International Railway, LLC

Patrick D. Broe (Mr. Broe), OmniTRAX, Inc. (OmniTRAX), and OmniTRAX Holdings, LLC (Omni Holdings) (collectively, Applicants), have filed a verified notice of exemption pursuant to 49 CFR 1180.2(d)(2) to continue in control of Brownsville & Rio Grande International Railway, LLC (BRGIR), a noncarrier, upon BRGIR's becoming a common carrier.¹

This transaction is related to a concurrently filed verified notice of exemption in *Brownsville & Rio Grande International Railway, LLC—Change In Operator Exemption Including Interchange Commitment—Brownsville & Rio Grande International Railroad*, Docket No. FD 35836, in which BRGIR seeks an exemption under 49 CFR 1150.31 to change operators from

Brownsville & Rio Grande International Railroad (BRG) to BRGIR over certain rail lines currently operated by BRG in and around the seaport facilities of the Brownsville Navigation District of Cameron County, Tex., (the District) at the Port of Brownsville, Tex.²

The earliest this transaction can be consummated is August 10, 2014, the effective date of the exemption (30 days after the verified notice was filed). Applicants indicate that they intend to consummate the proposed transaction on or about August 11, 2014.

Applicants represent that: (1) BRGIR will not connect with any of the other railroads controlled by Omni Holdings or Mr. Broe, (2) the continuance in control is not part of a series of anticipated transactions that would connect some or all of those railroads; and (3) the transaction does not involve a Class I rail carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under 11324 and 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here, because all of the carriers involved are Class III carriers.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke would not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than August 1, 2014 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35837, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, one copy of each pleading

² Specifically, under the transaction contemplated in Docket No. FD 35836, (1) BRGIR will become the operator of 10.5 miles of rail line and 39.5 miles of ancillary track (collectively, the District Trackage) in and around the Port of Brownsville, including Palo Alto Yard; (2) BRG will assign to BRGIR its leasehold interests in a rail line owned by Union Pacific Railroad Company (UP) known as the “Port Lead” between milepost 2.20 near Arthur Street in Brownsville, Tex., and milepost 7.92 at a point of connection with the District Trackage at the western end of the Port of Brownsville; and (3) BRGIR will assume by assignment BRG's overhead trackage rights over UP's “New Port Lead” between milepost 7.49 and milepost 9.47, enabling BRGIR to access Palo Alto Yard.

¹ The verified notice of exemption indicates that Mr. Broe is a noncarrier who directly controls noncarrier OmniTRAX, which directly controls Omni Holdings, a holding company that controls 11 Class III carriers. Mr. Broe also controls five other Class III carriers indirectly through other entities.

must be served on Robert A. Wimbish, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606–2832.

[Docket No. FD 35836]

Brownsville & Rio Grande International Railway, LLC—Change In Operator Exemption Including Interchange Commitment—Brownsville & Rio Grande International Railroad

Brownsville & Rio Grande International Railway, LLC (BRGIR), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to change operators from Brownsville & Rio Grande International Railroad (BRG) to BRGIR over certain rail lines currently operated by BRG in and around the seaport facilities of the Brownsville Navigation District of Cameron County, Tex., (the District)¹ at the Port of Brownsville, Tex. Specifically: (1) BRGIR will become the operator of 10.5 miles of rail line and 39.5 miles of ancillary track (collectively, the District Trackage) in and around the Port of Brownsville, including Palo Alto Yard; (2) BRG will assign to BRGIR its leasehold interests in a rail line owned by Union Pacific Railroad Company (UP) known as the “Port Lead” between milepost 2.20 near Arthur Street in Brownsville, Tex., and milepost 7.92 at a point of connection

with the District Trackage at the western end of the Port of Brownsville; and (3) BRGIR will assume by assignment BRG’s overhead trackage rights over UP’s “New Port Lead” between milepost 7.49 and milepost 9.47, enabling BRGIR to access Palo Alto Yard. This change in operators is exempt under 49 CFR 1150.31(3).

BRGIR states that the existing lease that BRG will assign to BRGIR, governing operation of the Port Lead, contains an interchange commitment in favor of UP that applies to (and is limited to) traffic originating and terminating on the Port Lead. As required under 49 CFR 1150.33(h)(1), BRGIR has provided additional information concerning the interchange commitment.

BRGIR certifies that its projected annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier. However, because its projected annual revenues will exceed \$5 million, BRGIR certifies that, pursuant to 49 CFR 1150.32(e), it provided notice on June 12, 2014, to employees on the affected lines and that notice was not served on the national offices of any rail labor union because no employees on the affected lines are represented by any labor union. Additionally, under 49 CFR 1150.32(b), a change in operators requires that notice be given to shippers. BRGIR certifies that notice has been given to all shippers on the affected lines.

The earliest this transaction can be consummated is August 11, 2014. BRGIR indicates that consummation is expected to occur on or after that date.

This transaction is related to a concurrently filed verified notice of exemption in *Patrick D. Broe—Continuance in Control Exemption—Brownsville & Rio Grande International Railway*, Docket No. FD 35837, in which Patrick D. Broe, OmniTRAX, and OmniTRAX Holdings, LLC seek the Board’s approval under 49 CFR 1180.2(d)(2) to continue in control of BRGIR upon BRGIR’s becoming a common carrier.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than August 4, 2014 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35836, must be filed with the Surface

Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, one copy of each pleading must be served on Robert A. Wimbish, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606–2832.

¹ According to the verified notice of exemption, the District is a political subdivision of the State of Texas that manages operations within the Port of Brownsville and owns railroad trackage within the port terminal area as well as within Palo Alto Yard. BRG obtained authority to operate the District Trackage in 1984. See *Brownsville & Rio Grande Int’l R.R.—Operation—Port of Brownsville, Brownsville, Tex.*, FD 30255 (ICC served Sept. 8, 1984). BRGIR will operate the District Trackage under a new Master Franchise Agreement (MFA) between the District and BRGIR’s corporate affiliate, OmniTRAX, Inc. (OmniTRAX). When BRGIR is ready to assume railroad operations in place of BRG, OmniTRAX will convey the railroad operating rights under the MFA to BRGIR. BRGIR has submitted to the Board an unredacted copy of the MFA. See *Anthony Macrie—Continuance in Control Exemption—N.J. Seashore Lines*, FD 35296 (STB served Aug. 31, 2010).
