Foreign-Trade Zones Board

[B-60-2014]

Foreign-Trade Zone 286—Caledonia, Essex and Orleans Counties, Vermont Application for Reorganization (Expansion of Service Area) Under the Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Northeastern Vermont Development Association, grantee of FTZ 286, requesting authority to expand its service area under the alternative site framework (ASF) adopted by the Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on August 27, 2014.

FTZ 286 was approved by the Board on March 22, 2013 (Board Order 1890, 78 FR 20295-20296, 04-04-2013). The zone currently has a service area that includes the Counties of Caledonia, Essex and Orleans Counties.

The applicant is requesting authority to expand the service area of the zone to include Lamoille County, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies’ needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Derby Line Customs and Border Protection port of entry.

In accordance with the Board’s regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board. Public comment is invited from interested parties. Submissions shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is November 3, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 17, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the Board’s Web site, which is accessible via www.trade.gov/ftz. For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov or (202) 482-1346.

Dated: August 28, 2014.

Andrew McGilvray,

Executive Secretary.

Certain Preserved Mushrooms From India: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is rescinding its administrative review of the antidumping duty order on certain preserved mushrooms (mushrooms) from India for the period February 1, 2013, through January 31, 2014 (POR).

DATES: Effective September 3, 2014.

FOR FURTHER INFORMATION CONTACT: Kate Johnson or Terre Keaton Stefanova, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4929 or (202) 482-1280, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2014, the Department published in the **Federal Register** a notice of “Opportunity to Request Administrative Review” of the antidumping duty order on mushrooms from India for the POR.¹

On February 28, 2014, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the Department received

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 79 FR 6159 (February 3, 2014).

timely requests from Monterey Mushrooms Inc. and Sunny Dell Foods Inc., (the petitioners), to conduct an administrative review of the sales of Agro Dutch Industries Limited (Agro Dutch); Himalya International Ltd. (Himalya); Hindustan Lever Ltd. (formerly Ponds India, Ltd.) (Hindustan); Transchem Ltd. (Transchem); and Weikfield Foods Pvt. Ltd (Weikfield).

On April 1, 2014, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on mushrooms from India with respect to the above-named companies.²

The Department stated in its initiation of this review that it intended to rely on U.S. Customs and Border Protection (CBP) data to select respondents.³ However, our review of the CBP database, with respect to the companies for which reviews were requested, showed no entries of mushrooms originating in India, subject to antidumping duties and countervailing duties (AD/CVD), during the POR.⁴

On April 4, 2014, we sent a “No Shipments Inquiry” to CBP to confirm that there were no shipments or entries of mushrooms from India during the POR from the companies subject to review. We received no information from CBP to contradict the results of our data query.

On April 17, 2014, we received a no shipment claim for the POR from Weikfield.

On May 21, 2014, Sunny Dell Food Inc. timely withdrew its request for a review of all five companies named above. On June 3, 2014, Monterey Mushrooms timely withdrew its request for a review of Agro Dutch, Hindustan, Transchem and Weikfield.

On June 6, 2014, Monterey Mushrooms placed on the record shipment manifest data that suggested that Himalya may have exported subject merchandise to the United States during the POR. Monterey Mushrooms requested that the Department work with CBP to determine whether Himalya, in fact, exported subject merchandise to the United States during the POR and, if appropriate, to conduct a review of Himalya's POR shipments.

On June 30, 2014, we rescinded the review, in part, with respect to Agro

Dutch, Hindustan, Transchem, and Weikfield.⁵

On August 12, 2014, we issued a memorandum stating that because the CBP data query showed there are no suspended entries from Himalya subject to this review upon which to assess duties, we intend to rescind this review.⁶ Also on August 12, 2014, consistent with this memorandum, we referred to CBP the matter raised in Monterey Mushrooms' June 6, 2014, submission.⁷ We invited parties to comment on our intent to rescind this administrative review. We did not receive comments from any interested party.

Rescission of Review

It is the Department's practice to rescind an administrative review pursuant to 19 CFR 351.213(d)(3) when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.⁸ At the end of the administrative review, the suspended entries are liquidated at the assessment rate computed for the review period.⁹ Therefore, for an administrative review to be conducted there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate. Because the CBP data query showed there are no suspended entries from the company subject to this review upon which to assess duties, we are rescinding this review of the antidumping duty order on mushrooms from India pursuant to 19 CFR 351.213(d)(3). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice.

being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
