

Type of Review: Extension without change of a currently approved collection.

Abstract: VA Form 26–8736 is used by nonsupervised lenders requesting approval to close loans on an automatic basis. Automatic lending privileges eliminate the requirement for submission of loans to VA for prior approval. Lending institutions with automatic loan privileges may process and disburse such loans and subsequently report the loan to VA for issuance of guaranty. The form requests information considered crucial for VA to make acceptability determinations as to lenders who shall be approved for this privilege.
