SUPPLEMENTARY INFORMATION:

On September 10, 2014, the Department of Commerce (the Department) published the antidumping duty orders on certain oil country tubular goods (OCTG) from India, the Republic of Korea (Korea), Taiwan, the Republic of Turkey (Turkey), and the Socialist Republic of Vietnam (Vietnam).¹ Footnote 1 of the *Orders* contains a list of the **Federal Register** citations for the Department's affirmative final determinations of sales at less than fair value (LTFV) in the investigations of OCTG from India, Korea, Taiwan, Turkey, and Vietnam. Incorrect page numbers were cited for the final determinations of sales at LTFV in the investigations of OCTG from Turkey and Vietnam. This notice provides the citations for these two notices with the correct page numbers. The correct citations are: *Certain Oil Country Tubular Goods From the Republic of Turkey: Final Determination of Sales at Less Than Fair Value and Affirmative Final Determination of Critical Circumstances, in Part*, 79 FR 41971 (July 18, 2014) and *Certain Oil Country Tubular Goods From the Socialist Republic of Vietnam: Final Determination of Sales at Less Than Fair Value and Final Affirmative Determination of Critical Circumstances*, 79 FR 41973 (July 18, 2014).

This notice serves as a correction and is published in accordance with section 777(i) of the Tariff Act of 1930 as amended.

Dated: September 25, 2014.

SUPPLEMENTARY INFORMATION:**I. Abstract**

The Summer High School Intern Program (SHIP) is a NIST-wide 8-week summer intern program for students who will have finished their junior or senior year of high school by the start of the program, are U.S. citizens, and are interested in scientific research. Students selected for this competitive volunteer program will participate in cutting-edge research at NIST, and will work closely with NIST staff scientists and engineers on a specific research problem.

The first round of the application process is completed via an on-line application through the Student Information System which collects basic biographical information about the student. This information is reviewed and finalists are invited to submit secondary materials via email to ship@nist.gov. These secondary materials include a resume, transcript, letters of recommendation, personal statement,

and parental consent and commitment form.

II. Method of Collection

The initial application is via NIST's on-line Student Information System. The finalist application is via email to ship@nist.gov.

III. Data

OMB Control Number: 0693-XXXX.

Form Number(s): None.

Type of Review: Regular submission (new collection).

Affected Public: Individuals or households; Local government (public schools).

Estimated Number of Respondents: 350.

Estimated Time per Response: 8 hours.

Estimated Total Annual Burden Hours: 2,800.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

FOR FURTHER INFORMATION CONTACT: Mr. Mike Burner, Pacific Council; telephone: (503) 820-2414.

SUPPLEMENTARY INFORMATION: The purpose of the methodology review meeting is to discuss and review proposed changes to analytical methods used in salmon management. Recommendations from the methodology review meeting will be presented at the November 14-19, 2014 Council meeting in Costa Mesa, CA where the Council is scheduled to take final action on the proposals. Final methodology review topics were adopted by the Council at their September 12-17, 2014 meeting in Spokane, WA and are posted on the Pacific Council's Web page (www.pcouncil.org). The STT will hold a 1-day session following the methodology review to discuss items on the Council's November 2014 meeting agenda. Major topics include: The salmon methodology review, the Lower Columbia River coho harvest matrix, and the preseason salmon management schedule, process, and documentation for 2015.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this

document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

The meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt at (503) 820-2425 at least 5 days prior to the meeting date.

Dated: September 30, 2014.
