AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) conducted an administrative review of the countervailing duty order on certain magnesita carbon bricks (MCBs) from the People's Republic of China (PRC) covering the period of review (POR) January 1, 2012, through December 31, 2012. On June 2, 2014, the Department published the *Preliminary Results* for this administrative review and invited interested parties to comment on it.¹ Based on the analysis of the comments received, the Department has not made any changes to its *Preliminary Results*. The final subsidy rates are listed in the "Final Results of Review" section below.

DATED: *Effective Date:* October 16, 2014.

FOR FURTHER INFORMATION CONTACT: Gene Calvert, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-3586.

Background

On June 2, 2014, the Department published the *Preliminary Results*. The Department preliminarily determined to apply adverse facts available (AFA) to the sole mandatory respondent, Fengchi Imp. and Exp. Co., Ltd. of Haicheng City and Fengchi Refractories Co., of Haicheng City (collectively, Fengchi), and the Government of the PRC (GOC), because these parties failed to cooperate to the best of their ability in this review.² The Department also stated its preliminary intent to rescind the review for the following companies that timely certified that they had no shipments of subject merchandise to the United States during the POR: RHI AG and its affiliates Liaoning RHI Jinding Magnesita Co.; RHI Refractories (Dalian) Co. Ltd.; RHI Refractories Liaoning Co., Ltd.; RHI Trading Shanghai Branch; and RHI Trading (Dalian) Co., Ltd. (collectively, the RHI companies).³ The Department invited interested parties to comment on the *Preliminary Results*.

On July 9, 2014, the Department received a timely filed joint case brief from Resco Products, Inc. (Petitioner) and a domestic producer of MCBs, Magnesita Refractories Company (Magnesita).⁴ No other party filed an administrative case or rebuttal brief.

Scope of the Order

The scope of the order includes certain MCBs. Certain MCBs that are the subject of this order are currently classifiable under the following subheadings of the Harmonized Tariff Schedule of the United States (HTSUS): 6902.10.1000, 6902.10.5000, 66815.91.0000, 6815.99.2000, and 6815.99.4000. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive. A full description of the scope of the order is contained in the memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Issues and Decision Memorandum for Certain Magnesita Carbon Bricks from the People's Republic of China: Final Results of the 2012 Administrative Review" (Issues and Decision Memorandum), which is dated concurrently with and hereby adopted by this notice. The Issues and Decision

Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <https://iaaccess.trade.gov> and to all parties in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, including our decision to apply facts otherwise available with an adverse inference to Fengchi and the PRC, see the Issues and Decision Memorandum.

With respect to the companies for which we initiated reviews and that did not file a no-shipments certification,⁵ consistent with the *Preliminary Results*, we assigned to entries made by these companies the all-others rate from the investigation.⁶

Analysis of Comments Received

All issues raised in the case brief filed are addressed in the Issues and Decision Memorandum. A list of the issues raised is attached to this notice at Appendix I.

Final Rescission, in Part, of the Administrative Review

In the *Preliminary Results*, we stated that a final decision regarding whether to rescind this review with respect to the RHI companies would be made in the final results of this review.⁷ We continue to find no evidence on the record indicating that the RHI companies had sales of subject merchandise to the United States during the POR. Accordingly, and pursuant to 19 CFR 351.213(d)(3), the Department is rescinding this review with respect to the RHI companies for these final results.

Final Results of Review

We determine the countervailable subsidy rates for the POR are as follows:

Company	<i>Ad valorem</i> net countervailable subsidy rate (percent)
Fengchi Imp. and Exp. Co., Ltd. of Haicheng City and Fengchi Refractories Co., of Haicheng City (collectively, Fengchi)	66.27
Rate Applicable to the Remaining Companies Under Review ⁸	24.24

Assessment Rates

Pursuant to 19 CFR 351.212(b), the Department intends to issue appropriate instructions to U.S. Customs and Border Protection (CBP) 15 days after the publication of these final results of review in the **Federal Register**. The Department will instruct CBP to assess countervailing duties on POR entries in the amounts shown above.

Cash Deposit Requirements

The Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above for entries of the subject merchandise entered, or withdrawn from warehouse for consumption, on or after the date of publication of these final results in the **Federal Register**. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the all others rate established in the investigation. Accordingly, the cash deposit rates that will be applied to companies covered by the order, but not examined in this review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit rates shall apply to all non-reviewed companies until a review of a company assigned these rates is requested and completed. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These final results are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: October 7, 2014.

Assistant Secretary for Enforcement and Compliance.
