**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of this sunset review, the Department of Commerce (“the Department”) finds that revocation of the antidumping duty (“AD”) order on certain tow-behind lawn groomers and certain parts thereof (“lawn groomers”) from the People's Republic of China (“PRC”) would be likely to lead to continuation or recurrence of dumping. The magnitude of the dumping margins likely to prevail is indicated in the “Final Results of Sunset Review” section of this notice.

**DATES:** *Effective Date:* November 4, 2014.

**FOR FURTHER INFORMATION CONTACT:** Lilit Astvatsatrian, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–6412.

#### SUPPLEMENTARY INFORMATION:

##### Background

On August 3, 2009, the Department published the AD order on lawn groomers from the PRC.<sup>1</sup> On July 1, 2014, the Department published the notice of initiation of the sunset review of this AD order, pursuant to section 751(c) of the Act.<sup>2</sup> On July 15, 2014, pursuant to 19 CFR 351.218(d)(1), the Department received a timely and complete notice of intent to participate in the sunset review of the order from Agri-Fab, Inc. (“Domestic Producer”). On July 31, 2014, pursuant to 19 CFR 351.218(d)(3), Domestic Producer filed a timely and adequate substantive response. The Department did not receive substantive responses from any respondent interested party. As a result, pursuant to section 751(c)(3)(B) of the Tariff Act of 1930 (“Act”) and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department

conducted an expedited (120-day) sunset review of this AD order.

#### Scope of the Order

The scope of this order covers certain non-motorized tow behind lawn groomers, manufactured from any material, and certain parts thereof. Lawn groomers are defined as lawn sweepers, aerators, dethatchers, and spreaders. Unless specifically excluded, lawn groomers that are designed to perform at least one of the functions listed above are included in the scope of this order, even if the lawn groomer is designed to perform additional non-subject functions (*e.g.*, mowing).

The scope of this order specifically excludes the following: (1) Agricultural implements designed to work (*e.g.*, churn, burrow, till, etc.) soil, such as cultivators, harrows, and plows; (2) lawn or farm carts and wagons that do not groom lawns; (3) grooming products incorporating a motor or an engine for the purpose of operating and/or propelling the lawn groomer; (4) lawn groomers that are designed to be hand held or are designed to be attached directly to the frame of a vehicle, rather than towed; (5) “push” lawn grooming products that incorporate a push handle rather than a hitch, and which are designed solely to be manually operated; (6) dethatchers with a net assembled weight (*i.e.*, without packing, additional weights, or accessories) of more than 100 pounds, or lawn groomers—sweepers, aerators, and spreaders—with a net fully-assembled weight (*i.e.*, without packing, additional weights, or accessories) of more than 200 pounds; and (7) lawn rollers designed to flatten grass and turf, including lawn rollers which incorporate an aerator component (*e.g.*, “drum-style” spike aerators).

The lawn groomers that are the subject of this order are currently classifiable in the Harmonized Tariff Schedule of the United States (“HTSUS”) statistical reporting numbers 8432.40.0000, 8432.80.0000, 8432.80.0010, 8432.90.0030, 8432.90.0080, 8479.89.9896, 8479.89.9897, 8479.90.9496, and 9603.50.0000. These HTSUS provisions are given for reference and customs purposes only, and the description of merchandise is dispositive for determining the scope of the product included in this order. For the full scope of this order, see the accompanying I&D Memorandum, which is hereby adopted by this notice.<sup>3</sup>

<sup>3</sup> See “Issues and Decision Memorandum for the Expedited First Sunset Review of the Antidumping

### Analysis of Comments Received

A complete discussion of all issues raised in this sunset review is provided in the accompanying I&D Memorandum. The issues discussed in the I&D Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margins likely to prevail if the order is revoked. The I&D Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("IA ACCESS"). IA ACCESS is available to registered users at <http://iaaccess.trade.gov>, and is available in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the I&D Memorandum can be accessed at <http://enforcement.trade.gov/frn/>. The signed I&D Memorandum and the electronic version of the I&D Memorandum are identical in content.

### Final Results of Sunset Reviews

Pursuant to section 752(c)(3) of the Act, the Department determines that revocation of the AD order on lawn groomers from the PRC would be likely to lead to continuation or recurrence of dumping at weighted-average margins up to 386.28 percent.<sup>4</sup>

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

#### Countervailing Duty Investigation of Boltless Steel Shelving Units Prepackaged for Sale From the People's Republic of China: Postponement of Preliminary Determination

**AGENCY:** Enforcement and Compliance International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** Susan S. Pulongbarit, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202-482-4013.

#### SUPPLEMENTARY INFORMATION:

##### Background

On September 22, 2014, the Department of Commerce (the "Department") initiated the countervailing duty investigation of boltless steel shelving units prepackaged for sale ("steel shelves") from the People's Republic of China ("PRC").<sup>1</sup> Currently, the preliminary determination is due no later than November 19, 2014.

##### Postponement of Due Date for the Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the "Act"), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, section 703(c)(1) of the Act permits the Department to postpone making the preliminary determination until no later than 130 days after the date on which it initiated the investigation if, among other reasons, the petitioner makes a timely request for a postponement, or the Department concludes that the parties concerned are cooperating and determines that the investigation is

<sup>1</sup> See *Boltless Steel Shelving Units Prepackaged for Sale From the People's Republic of China: Initiation of Countervailing Duty Investigation*, 79 FR 56567 (September 22, 2014).

extraordinarily complicated. On October 21, 2014, Edsal Manufacturing Co., Inc. ("Petitioner") made a timely request to postpone the preliminary countervailing duty determination.<sup>2</sup> Moreover, the Department has not yet chosen mandatory respondents. In addition, the Department determines that, thus far, the parties concerned are cooperating because each has made an entry of appearance in this investigation.<sup>3</sup> Also, the Department must analyze 19 complicated programs<sup>4</sup> for each respondent, including companies that are cross-owned with each respondent, and likely issue multiple supplemental questionnaires. For all these reasons, the Department finds this investigation to be extraordinarily complicated within the meaning of section 703(c)(1)(B) of the Act, and is hereby fully postponing the preliminary countervailing duty determination by 130 days. Therefore, pursuant to the discretion afforded to the Department under section 703(c)(1)(B) of the Act, we are postponing the due date for the preliminary determination to no later than January 23, 2015.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: October 28, 2014.
