[Investigation Nos. 701-TA-524-525 and 731-TA-1260-1261 (Preliminary)]

Certain Welded Line Pipe From Korea and Turkey

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to sections 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)) ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from Korea and Turkey of certain welded line pipe, provided for in subheadings 7305.11, 7305.12, 7305.19, and 7306.19 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV"), and that are allegedly subsidized by the governments of Korea and Turkey.

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from

the Department of Commerce ("Commerce") of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On October 16, 2014, a petition was filed with the Commission and Commerce by American Cast Iron Pipe Company, Birmingham, Alabama; Energex, a division of JMC Steel Group, Chicago, Illinois; Maverick Tube Corporation, Houston, Texas; Northwest Pipe Company, Vancouver, Washington; Stupp Corporation, Baton Rouge, Louisiana; Tex-Tube Company, Houston, Texas; TMK IPSCO, Houston, Texas; and Welspun Tubular LLC USA, Little Rock, Arkansas, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of certain welded line pipe from Korea and Turkey and LTFV imports of certain welded line pipe from Korea and Turkey. Accordingly, effective October 16, 2014, the Commission instituted countervailing duty investigation Nos. 701-TA-524-525 and antidumping duty investigation Nos. 731-TA-1260-1261 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of October 23, 2013 (79 FR 63438). The conference was held in Washington, DC, on November 6, 2014, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on December 1, 2014. The views of the Commission

Case: 1:14–cv–02007

COMPLAINT

The United States of America, acting under the direction of the Attorney General of the United States, brings this civil action to enjoin the proposed acquisition of Communications Corporation of America (CCA), a wholly-owned subsidiary of Silver Point Capital Fund, L.P., by Nexstar Broadcasting, Inc. (Nexstar) and Mission Broadcasting, Inc. (Mission) (Nexstar and Mission are referred to collectively as the Buyers), and to obtain other equitable relief. The transaction would likely lessen competition substantially in the sale of broadcast television spot advertising in the Evansville, Indiana Designated Marketing Area (DMA) of the United States in violation of Section 7 of the Clayton Act, 15 U.S.C. 18. The United States alleges as follows:

I. NATURE OF THE ACTION

1. Pursuant to a Stock Purchase Agreement dated April 24, 2013, Nexstar and Mission will acquire all of the issued and outstanding voting securities of CCA for \$270 million. Both Nexstar and CCA own or operate many broadcast television stations in multiple

television DMAs across the United States. Through various local services agreements, Nexstar sells the advertising for all of the television stations owned by Mission, which Nexstar effectively controls.

2. In Evansville, Indiana, Nexstar owns and operates WEHT, an ABC broadcast network affiliate. As the owner-operator of that station, Nexstar sells WEHT's advertising. Pursuant to a local services agreement, Nexstar also sells the advertising of WTVW, a CW broadcast network affiliate in Evansville that is owned by Mission. Accordingly, WEHT and WTVW do not meaningfully compete with one another for advertisers.

3. In Evansville, CCA owns and operates WEVV, a CBS broadcast network affiliate. WEVV also operates a digital subchannel on which it runs television programming affiliated with the FOX broadcast network. Although Nexstar and Mission intend to transfer CCA's WEVV license to a related third party, the third party is expected to have Nexstar sell its advertising pursuant to a local services or similar agreement. Nexstar would likely have effective control of this third party as it does of Mission.

4. Currently, Nexstar (on behalf of WEHT and WTVW) and CCA (on behalf of WEVV) compete for the business of local and national advertisers that seek spot advertising on broadcast television stations in the Evansville, Indiana DMA. Advertisers benefit from this competition.

5. If consummated, Nexstar's acquisition of control of CCA's advertising would result in Nexstar controlling the sale of advertising for three out of four major broadcast network affiliates (WEHT (ABC) and WEVV (CBS & FOX)) and a fourth network affiliation (WTVW (CW)) in the Evansville, Indiana DMA. Nexstar's already high market share of spot advertising in the DMA would increase from approximately 42 to 60 percent.

6. The transaction would eliminate head-to-head competition between Nexstar and CCA and all the benefits from this competition. Unless the transaction is blocked, it will lead to higher prices for broadcast television spot advertising in the Evansville, Indiana DMA in violation of Section 7 of the Clayton Act, 15 U.S.C. 18.

II. JURISDICTION AND VENUE

7. The United States brings this action pursuant to Section 15 of the Clayton Act, as amended, 15 U.S.C. 25, to prevent and restrain Defendants from violating Section 7 of the Clayton Act, 15 U.S.C. 18.

8. Nexstar and CCA sell broadcast television spot advertising, a commercial activity that substantially
