

parties in this review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Interested parties are invited to comment on the preliminary results of this review. Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may not be filed later than five days after the time limit for filing case briefs.³ Parties who submit case briefs or rebuttal briefs in this review are requested to submit with each brief: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁴ Executive summaries should be limited to five pages total, including footnotes.⁵

Pursuant to 19 CFR 351.310(c), any interested party may request a hearing within 30 days of the publication of this notice in the **Federal Register**. If a hearing is requested, the Department will notify interested parties of the hearing schedule. Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

We intend to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**, unless otherwise extended.⁶

Assessment Rates

Upon issuing the final results of the review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review.

For any individually examined respondents whose weighted-average dumping margin is above *de minimis*, we will calculate importer-specific *ad valorem* duty assessment rates based on

the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).⁷ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET Film from the UAE entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.05 percent, the all-others rate established in the investigation.⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

⁷ In these preliminary results, the Department applied the assessment rate calculation methodology adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

⁸ See *Polyethylene Terephthalate Film, Sheet, and Strip from Brazil, the People's Republic of China and the United Arab Emirates: Antidumping Duty Orders and Amended Final Determination of Sales at Less Than Fair Value for the United Arab Emirates*, 73 FR 66595, 66597 (November 10, 2008).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Fresh Garlic From the People's Republic of China: Preliminary Results of the Nineteenth Antidumping Duty Administrative Review; 2012–2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is conducting the nineteenth administrative review of the antidumping duty order on fresh garlic from the People's Republic of China (PRC) covering the period of review (POR) November 1, 2012, through October 31, 2013.¹ We preliminary determine that the two mandatory respondents in this review, Hebei Golden Bird Trading Co., Ltd. (Golden Bird) and Jinxiang Hejia Co., Ltd.

(Hejia), each failed to establish that it is separate from the PRC-wide entity. As a result, the PRC-wide entity is now under review.² We are preliminarily applying adverse facts available (AFA) to the PRC-wide entity because elements of the entity, Golden Bird and Hejia, failed to cooperate by not acting to the best of their ability to comply with the Department's requests for information. The Department is preliminarily determining that seven companies are entitled to a separate rate. Finally, the Department is also preliminarily determining that 16 companies made no shipments during the POR. If these preliminary results are adopted in our final results of review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of subject merchandise during the POR. We invite interested parties to comment on these preliminary results.

DATES: *Effective Date:* December 8, 2014.

Scope of the Order

The merchandise covered by the order includes all grades of garlic, whole or separated into constituent cloves. Fresh garlic that are subject to the order are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) 0703.20.0010, 0703.20.0020, 0703.20.0090, 0710.80.7060, 0710.80.9750, 0711.90.6000, and 2005.90.9700. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.³

² On November 4, 2013, the Department announced a change in practice with respect to the condition review of the NME entity. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Proceedings*, 78 FR 65963 (Nov. 4, 2013). The change in practice is not applicable in this administrative review.

³ See Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance regarding "Decision Memorandum for the Preliminary Results and Preliminary Rescission of the 2012-2013 Antidumping Duty Administrative Review: Fresh Garlic from the People's Republic of China," dated concurrently with these results and hereby adopted by this notice ("Preliminary Decision Memorandum"), for a complete description of the Scope of the Order.

Methodology

The Department conducted this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, dated concurrently with these results and hereby adopted by this notice.⁴ The Preliminary Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS).⁵ ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit (CRU), Room 7046 of the main Department of Commerce building. In addition, parties can obtain a complete version of the Preliminary Decision Memorandum on the Internet at <http://trade.gov/enforcement/fjn/index.html>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

PRC-Wide Entity

The two mandatory respondents, Golden Bird and Hejia, each failed to respond to the Department's requests for information and/or declined to participate in this review and therefore, each failed to establish eligibility for separate rate status. Accordingly, the Department preliminarily finds that the PRC-wide entity includes these companies. Elements of the entity failed to provide necessary information for the Department to conduct a review. Accordingly, the Department has relied on facts available.⁶ Further, the Department finds that the PRC-wide entity failed to cooperate by not acting to the best of its ability to comply with a request for information. Therefore, pursuant to section 776(b) of the Act, the Department used an adverse inference when selecting from among the facts otherwise available.⁷ Thus, the Department relied on AFA in order to determine a margin for the PRC-wide entity, pursuant to sections 776(a)(1),

⁴ See Preliminary Decision Memorandum.

⁵ On November 24, 2014, Enforcement and Compliance changed the name of Enforcement and Compliance's AD and CVD Centralized Electronic Service System ("IA ACCESS") to AD and CVD Centralized Electronic Service System ("ACCESS"). The Web site location was changed from <http://iaaccess.trade.gov> to <http://access.trade.gov>. The Final Rule changing the references to the Regulations can be found at 79 FR 69046 (November 20, 2014).

⁶ See sections 776(a)(1) and (2)(A)-(C) of the Act.

⁷ See section 776(b) of the Act.

776(a)(2)(A), (B), (C) and 776(b) of the Act.⁸

On May 29, 2014, the Department rescinded this review for companies for whom requests for review were withdrawn and which had a separate rate from a prior segment of this proceeding.⁹ The Department finds that 92 of the companies whose review requests were withdrawn had not been assigned a separate rate from a prior segment of the proceeding, and thus are considered part of the PRC-wide entity. Further, an additional 30 companies for which a review was requested, and not withdrawn, did not file a separate rate application or certification, nor did they file a no shipments certification.¹⁰ Accordingly, because these companies did not demonstrate their eligibility for a separate rate, the Department preliminarily determines that they are also part of the PRC-wide entity. A full list of companies preliminarily determined to be part of the PRC-wide entity can be found in Appendix II.

Preliminary Determination of Separate Rates for Non-Selected Companies

In accordance with section 777A(c)(2)(B) of the Act, the Department employed a limited examination methodology, as it determined that it would not be practicable to examine individually all companies for which a review request was made. There were seven exporters of subject merchandise from the PRC that have demonstrated their eligibility for a separate rate but which were not selected for individual examination in this review. These seven exporters of subject merchandise that have demonstrated their eligibility for a separate rate, but which were not selected for an individual examination in this review are: Chengwu County Yuanxiang Industry & Commerce Co., Ltd.; Jinxiang Richfar Fruits and Vegetables Co., Ltd.; Qingdao Lianghe International Trade Co., Ltd., Shandong Chenhe International Trading Co., Ltd.; Shenzhen Xinboda Industrial Trading Co., Ltd.; Weifang Hongqiao International Logistics Co., Ltd.; and XuZhou Simple Garlic Industry Co., Ltd.

Neither the Act nor the Department's regulations address the establishment of the rate applied to individual

companies not selected for examination where the Department limited its examination in an administrative review pursuant to section 777A(c)(2) of the Act. The Department's practice in cases involving limited selection based on exporters accounting for the largest volumes of trade has been to look to section 735(c)(5) of the Act for guidance, which provides instructions for calculating the all-others rate in an investigation. Section 735(c)(5)(A) of the Act instructs the Department to use rates established for individually investigated producers and exporters, excluding any rates that are zero, *de minimis*, or based entirely on facts available in investigations. Section 735(c)(5)(B) of the Act provides that, where all rates are zero, *de minimis*, or based entirely on facts available, the Department may use "any reasonable method" for assigning a rate to non-examined respondents. The weighted-average margin preliminarily determined for the individually-examined respondents in this review is based entirely on facts available. For the preliminary results, the Department has preliminarily determined to assign a rate of 1.82 U.S. dollars per kilogram, which is the rate for separate rate companies for the most recently completed (18th) administrative review.¹¹

Preliminary Determination of No Shipments

The companies listed in Appendix I timely filed "no shipment" certifications stating that they had no entries of subject merchandise during the POR.¹² Consistent with its practice, the Department asked CBP to conduct a query of potential shipments made by these companies. CBP did not provide evidence that contradicted the parties' no shipment claims. Based on the certifications by these companies and our analysis of CBP information, we preliminarily determine that the

companies listed in Appendix I did not have any reviewable transactions during the POR. In addition, the Department finds that consistent with its refinement to its assessment practice in non-market economy (NME) cases, further discussed below, it is appropriate not to rescind the review in part in these circumstances but to complete the review with respect to these 16 companies and issue appropriate instructions to CBP based on the final results of the review.¹³

Preliminary Results of Review

Regarding the administrative review, the Department preliminarily determines that the following weighted-average dumping margins exist for the period November 1, 2012, through October 31, 2013:

Exporter	Weighted-average margin (dollars per kilogram)
Chengwu County Yuanxiang Industry & Commerce Co., Ltd	1.82
Jinxiang Richfar Fruits & Vegetables Co., Ltd	1.82
Qingdao Lianghe International Trade Co., Ltd	1.82
Shandong Chenhe International Trading Co., Ltd	1.82
Shenzhen Xinboda Industrial Co., Ltd	1.82
Weifang Hongqiao International Logistics Co., Ltd	1.82
XuZhou Simple Garlic Industry Co., Ltd	1.82
PRC-Wide Rate	4.71

Public Comment & Opportunity To Request a Hearing

Unless otherwise notified by the Department, interested parties may submit written comments (case briefs) no later than 30 days after the date of publication of these preliminary results of review and rebuttal comments (rebuttal briefs) within five days after the time limit for filing case briefs.¹⁴ Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs. Parties who submit arguments are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and, (3) a table of authorities.¹⁵

Any interested party may request a hearing within 30 days of publication of

this notice.¹⁶ Hearing requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the case and rebuttal briefs.¹⁷ If a party requests a hearing, the Department will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing.

The Department intends to issue the final results of this review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹⁸ The Department will direct CBP to assess rates based on the per-unit (*i.e.*, per kilogram) amount on each entry of the subject merchandise during the POR. The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of review.

Also, the Department announced a refinement to its assessment practice in NME cases. Pursuant to this refinement in practice, for merchandise that was not reported in the U.S. sales databases submitted by an exporter individually examined during this review, but that entered under the case number of that exporter (*i.e.*, at the individually-examined exporter's cash deposit rate), the Department will instruct CBP to liquidate such entries at the NME-wide rate. In addition, if the Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.¹⁹

Cash Deposit Requirements

The following cash deposit requirements, when imposed, will apply to all shipments of subject merchandise

entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) For the companies listed above, the cash deposit rate will be the rate established in these final results of review (except, if the rate is zero or *de minimis*, a zero cash deposit rate will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 4.71 U.S. dollars per kilogram; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).
