Institution contacting for the field test began in September 2014 and student data collection (interviews and institution record data) will be conducted from March through June 2015 (full-scale institution contacting will begin in October 2015 and student data will be collected January through October 2016). Packages to request clearance for the full-scale data collection effort (institution list collection, cognitive testing, student interview, and institution record collection) will be submitted beginning in 2015.
