PURPOSE:

This system (E-PACS) collects the information required for and related to physical access to GSA-managed facilities and restricted areas within facilities in all regions across the United States.

ROUTINE USES OF THE SYSTEM RECORDS, INCLUDING CATEGORIES OF USERS AND THEIR PURPOSE FOR USING THE SYSTEM:

System information may be accessed and used by authorized GSA employees and contractors to conduct official duties associated with Federal government building security and access responsibilities. Information from this system may be disclosed as a routine use:

- a. In any legal proceeding, where pertinent, to which GSA is a party before a court or administrative body.
- b. To a Federal, State, local, or foreign agency responsible for investigating, prosecuting, enforcing, or carrying out a statute, rule, regulation, or order when GSA becomes aware of a violation or potential violation of civil or criminal law or regulation.
- c. To duly authorized officials engaged in investigating or settling a grievance, complaint, or appeal filed by an individual who is the subject of the record.
- d. To the Office of Personnel Management (OPM), the Office of Management and Budget (OMB), the Government Accountability Office (GAO) or other Federal agency when the information is required for program evaluation purposes.
- e. To another Federal agency in connection with the hiring or retention of an employee; the issuance of a security clearance; the reporting of an investigation; clarifying a job; the letting of a contract; or the issuance of a grant, license, or other benefit to the extent that the information is relevant and necessary to a decision.
- f. To a Member of Congress or his or her staff on behalf of and at the request

of the individual who is the subject of the record.

g. To an expert, consultant, or contractor of GSA in the performance of a Federal duty to which the information is relevant.

h. To the National Archives and Records Administration (NARA) for records management purposes.

i. To appropriate agencies, entities, and persons when (1) The Agency suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; (2) the Agency has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by GSA or another agency or entity) that rely upon the compromised information; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with GSA's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.

j. To the workspace and room scheduling system. When an individual swipes their card the information automatically checks them into previously reserved workspace. This is done as a convenience so the individual won't lose a seat assignment or conference room.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF SYSTEM RECORDS:

STORAGE:

System records and documents are electronically stored on servers and/or compact discs.

RETRIEVABILITY:

Records may be retrieved by name and/or other personal identifier or appropriate type of designation.

SAFEGUARDS:

System records are safeguarded in accordance with the requirements of the Privacy Act, the Computer Security Act, and the System Security Plan. Technical, administrative, and personnel security measures are implemented to ensure confidentiality and integrity of the data. Security measures include password protections, assigned roles, and transaction tracking.

RETENTION AND DISPOSAL:

Disposition of records will be according to the National Archives and Records Administration (NARA)

guidelines, set forth in the GSA Records Maintenance and Disposition System (OAD P 1820.2A) handbook.

SYSTEM MANAGER AND ADDRESS:

Office of Mission Assurance (OMA), Identity, Credential and Access Management, 1800 F Street, NW., Washington DC 20405.

NOTIFICATION PROCEDURES:

Individuals may obtain information about their records from the E-PACS Program Manager at the above address.

Information Collection Request Title: National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care: Evaluation of Awareness, Adoption, and Implementation

Abstract: The Office of Minority Health (OMH), Office of the Secretary (OS), Department of Health and Human Services (HHS) is requesting a new approval from OMB for data collection on an evaluation project entitled “National Standards for Culturally and Linguistically Appropriate Services (CLAS) in Health and Health Care: Evaluation of Awareness, Adoption, and Implementation.” The purpose of this assessment is to systematically describe and examine the awareness, knowledge, adoption, and implementation of the HHS OMH's National Standards for Culturally and Linguistically Appropriate Services in Health and Health Care (hereafter referred to as the National CLAS Standards) in a sample of health and health care organizations, and to use the resultant data to develop a preliminary, model of implementation to guide organizational adoption and implementation of the National CLAS Standards. Originally released in 2001, the HHS OMH's National CLAS Standards are a set of recommended action steps intended to advance health equity, improve quality, and help eliminate health care disparities. The National CLAS Standards, revised in 2013, are comprised of 15 Standards that provide health and health care organizations with a blueprint for successfully implementing and maintaining culturally and linguistically appropriate services.

Despite increased recognition of the National CLAS Standards as a fundamental tool for health and health care organizations to use in their efforts to become more culturally and linguistically competent, neither the original nor the enhanced National CLAS Standards have been systematically evaluated in terms of public awareness, organizational
