**Unified Agenda of Federal Regulatory  
and Deregulatory Actions**

**AGENCY:** General Services  
Administration (GSA).

**ACTION:** Semiannual regulatory agenda.

**SUMMARY:** This agenda announces the proposed regulatory actions that GSA plans for the next 12 months and those that were completed since the spring 2014 edition. This agenda was developed under the guidelines of Executive Order 12866 “Regulatory Planning and Review.” GSA’s purpose in publishing this agenda is to allow interested persons an opportunity to participate in the rulemaking process.

GSA also invites interested persons to recommend existing significant regulations for review to determine whether they should be modified or eliminated. Proposed rules may be reviewed in their entirety at the Government’s rulemaking Web site at <http://www.regulations.gov>. In addition GSA’s retrospective plan and all plan updates can be viewed at: [www.gsa.gov/improvingregulations](http://www.gsa.gov/improvingregulations).

The complete Unified Agenda will be available online at [www.reginfo.gov](http://www.reginfo.gov).

Because publication in the **Federal Register** is mandated for the regulatory flexibility agendas required by the Regulatory Flexibility Act (5 U.S.C. 602), GSA’s printed agenda entries include only:

(1) Rules that are in the Agency’s regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and

(2) Any rules that the Agency has identified for periodic review under section 610 of the Regulatory Flexibility Act.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act’s Agenda requirements. Additional information on these entries is available in the Unified Agenda published on the Internet. In addition, for fall editions of the Agenda, the entire Regulatory Plan will continue to be printed in the **Federal Register**, as in past years, including GSA’s regulatory plan.

**392. • General Services Administration  
Acquisition Regulation (GSAR); GSAR  
Case 2013–G504, Transactional Data  
Reporting**

*Legal Authority:* 40 U.S.C. 121(c)

*Abstract:* The General Services Administration (GSA) announces a public meeting and request for comment on its proposal to amend the General Services Administration Acquisition Regulation (GSAR) to require vendors to report transactional data from orders and prices paid by ordering activities. This includes orders placed against both Federal Supply Schedule (FSS) contract vehicles and GSA’s non-FSS contract vehicles—Governmentwide Acquisition

Contracts (GWACs) and Multi-Agency Contracts (MACs). The proposed amendment to the GSAR will add an Alternate version of the existing GSAR clause 552.238–74 Industrial Funding Fee and Sales Reporting (IFF) (Federal Supply Schedule) and a new GSAR clause 552.216–75 Sales Reporting and Fee Remittance. Both clauses include the new reporting requirement. Under the FSS program, vendors that agree to the new transactional reporting requirement will have their contracts modified with an alternate version of clause 552.238–75 Price Reductions; the alternate version of clause 552.238–75 does not require the vendor to monitor and provide price reductions to the Government when the customer or category of customer upon which the contract was predicated receives a discount. GSA will implement the new transactional data reporting

requirements in phases, beginning with specific contract vehicles, including a few select Federal Supply Schedules, or Special Item Numbers that show the greatest potential to optimize transactional data via category management and reduced price variability. GSA will engage stakeholders throughout the phases of the implementation.

Once implemented, the new GSAR transactional data reporting clauses will enable GSA to provide Federal agencies with further market intelligence and expert guidance in procuring goods and services in each category of GSA acquisition vehicles. The new requirement will not affect the Department of Veterans Affairs (VA) FSS contract holders.

GSA is interested in conducting a dialogue with industry and interested parties in Government about the

proposed change. GSA is seeking feedback on potential impacts to agency customers and contractors alike. Feedback will be used to help inform the development of regulations and other guidance to implement the proposed clauses, provisions, and prescriptions.
