SUPPLEMENTARY INFORMATION:

Background

Title 49 of the Code of Federal Regulations, Section 390.15(b), requires motor carriers to make certain specified records and information pertaining to CMV accidents available to an authorized representative or special agent of the FMCSA upon request or as part of an inquiry. Interstate motor carriers are required to maintain an "accident register" consisting of information concerning all "accidents" involving their CMVs (49 CFR 390.15(b) (see "Definition: Accident" below). Motor carriers must report accidents

that occur in interstate and intrastate commerce. The following information must be recorded for each accident: Date, location, driver name, number of injuries, number of fatalities, and whether certain dangerous hazardous materials were released. In addition, the motor carrier must maintain copies of all accident reports required by insurers or governmental entities. Motor carriers must maintain this information for three years after the date of the accident. Section 390.15 does not require motor carriers to submit any information or records to FMCSA or any other party.

This ICR supports the DOT strategic goal of safety. By requiring motor carriers to gather and record information concerning CMV accidents, FMCSA is strengthening its ability to assess the safety performance of motor carriers. This information is a valuable resource in Agency initiatives to prevent, and reduce the severity of, CMV crashes.

This ICR is necessary to support the requirements of subpart B of 49 CFR part 371 and FMCSA's responsibility to ensure consumer protection in the transportation of household goods (HHG). On November 13, 2013, FMCSA published a **Federal Register** notice allowing for a 60-day comment period on this ICR. The agency received no comments in response to that notice.

DATES: Please send your comments to this notice by March 17, 2014. OMB must receive your comments by this date to act quickly on the ICR.

Estimated Total Annual Burden: 89,607 hours.

Background: FMCSA, in response to Title IV, Subtitle B of the Safe, Accountable, Flexible, Efficient, Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59) and a petition for rulemaking from the American Moving and Storage Association (AMSA), amended 49 CFR part 371, existing regulations for brokers, with a Final Rule titled, "Brokers of Household Goods Transportation by Motor Vehicles, (75 FR 72987), November 29, 2010, providing additional consumer protection responsibilities for brokers of HHG.

Section 4212 of SAFETEA-LU directs the Secretary to require HHG brokers to provide individual shippers with the

following information whenever a broker has contact with a shipper or potential shipper:

1. The broker's USDOT number.
2. The FMCSA booklet titled "Your Rights and Responsibilities When You Move."
3. A list of all authorized motor carriers providing transportation of HHG used by the broker and a statement that the broker is not a motor carrier providing transportation of HHG.

FMCSA, as the result of a rulemaking that took effect November 29, 2010, amended 49 CFR part 371 by adding subpart B, specific consumer protection requirements for HHG brokers. The collection of information required by this rulemaking assists shippers in their business dealings with interstate HHG brokers. The information collected is used by prospective shippers to make informed decisions about contracts and services ordered, executed, and settled. The HHG broker is often the primary contact for individual shippers and in the best position to educate shippers and prepare them for a successful move. The information collected makes that possible. To combat deceptive business practices, this helps enforcement personnel better protect consumers by verifying that shippers are receiving information they are entitled to by regulation.

HHG brokers are required to provide individual shippers the "Your Rights and Responsibilities When You Move" booklet and the "Ready to Move" brochure. They have the option of providing paper copies or presenting the information through a link on their Internet Web site. The broker is required to document with signed receipts that the individual shipper was provided those materials. HHG brokers are also required to provide the list of HHG motor carriers for which it would arrange transportation to move a potential individual shipper's HHG, and that broker's identification information:

1. Assigned USDOT number; and
2. Address.

Public Comments Invited

FMCSA requests that you comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for FMCSA to perform its functions, (2) the accuracy of the estimated burden, (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information, and (4) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize or include your comments in the request

for OMB's clearance of this information collection.

Issued under the authority delegated in 49 CFR 1.87 on: February 6, 2014.
