#### SUPPLEMENTARY INFORMATION:

*Title:* 30 CFR Part 291, *Open and Nondiscriminatory Access to Oil and Gas Pipelines Under the OCS Lands Act*.  
*OMB Control Number:* 1014–0012.

*Abstract:* The Outer Continental Shelf (OCS) Lands Act (OCSLA), as amended (43 U.S.C. 1331 *et seq.* and 43 U.S.C. 1801 *et seq.*), authorizes the Secretary of the Interior to prescribe rules and regulations necessary for the administration of the leasing provisions of that Act related to mineral resources on the OCS. Such rules and regulations will apply to all operations conducted under a lease, right-of-way, or a right-of-use and easement. Operations on the OCS must preserve, protect, and develop oil and natural gas resources in a manner that is consistent with the need to make such resources available to meet the Nation's energy needs as rapidly as possible; to balance orderly energy resource development with protection of human, marine, and coastal environments; to ensure the public a fair and equitable return on the resources of the OCS; and to preserve and maintain free enterprise competition.

The OCSLA requires open and nondiscriminatory access to oil and gas pipelines. The OCSLA provides the Secretary of the Interior the authority to issue and enforce rules to assure open and nondiscriminatory access to pipelines. These regulations provide a mechanism for entities who believe they have been denied open and nondiscriminatory access to pipelines on the OCS. The BSEE established a process, via the subject regulations, to submit complaints alleging denial of access or discriminatory access for a shipper transporting oil or gas

production from Federal leases on the OCS. The complaint should include certain minimal data in order for BSEE to begin an investigation. Upon completion of an investigation, BSEE will propose a remedial action.

The Independent Offices Appropriations Act (31 U.S.C. 9701), the Omnibus Appropriations Bill (Pub. L. 104–133, 110 Stat. 1321, April 26, 1996), and OMB Circular A–25, authorize Federal agencies to recover the full cost of services that confer special benefits. Under the Department of the Interior's implementing policy, BSEE is required to charge fees for services that provide special benefits or privileges to an identifiable non-Federal recipient above and beyond those which accrue to the public at large. Regulations at §§ 291.106(b) and 291.108 require a nonrefundable processing fee of \$7,500 that a shipper must pay when filing a complaint to BSEE.

Regulations implementing these responsibilities are among those delegated to BSEE. Responses are voluntary but are required to obtain or retain a benefit. No questions of a sensitive nature are asked. The BSEE protects information considered proprietary under the Freedom of Information Act (5 U.S.C. 552) and DOI's implementing regulations (43 CFR 2), and under regulations at 30 CFR 250.197, *Data and information to be made available to the public or for limited inspection*, 30 CFR Part 252, *OCS Oil and Gas Information Program*.

The BSEE uses the submitted information to initiate a more detailed investigation into the specific circumstances associated with a complainant's allegation of denial of access or discriminatory access to pipelines on the OCS. The complaint information will be provided to the alleged offending party. The BSEE may request additional information upon completion of the initial investigation.

*Frequency:* On occasion.

*Description of Respondents:* Potential respondents include OCS Federal oil, gas, or sulphur lessees and/or operators.

*Estimated Reporting and Recordkeeping Hour Burden:* The estimated annual hour burden for this information collection is a total of 51 hours. The following chart details the individual components and estimated hour burdens. In calculating the burdens, we assumed that respondents perform certain requirements in the normal course of their activities. We consider these to be usual and customary and took that into account in estimating the burden.

Citation 30 CFR 291	Reporting and recordkeeping requirements	Non-hour cost burden		
		Hour burden	Average number of annual responses	Annual burden hours
105, 106, 108, 109, 111	Submit complaint (with fee) to BSEE and affected parties. Request confidential treatment and respond to BSEE decision.	50 .....	1	50
		\$7,500 fee x 1 = \$7,500		
106(b), 109 .....	Request waiver or reduction of fee .....	1 .....	1	1
104(b), 107, 111 .....	Submit response to a complaint. Request confidential treatment and respond to BSEE decision.	Information required after an investigation is opened against a specific entity is exempt under the PRA (5 CFR 1320.4(a)(2), (c)).		0
110 .....	Submit required information for BSEE to make a decision.			
114, 115(a) .....	Submit appeal on BSEE final decision .....			
TOTAL BURDEN ...	.....	.....	2 Responses	51
			\$7,500 Non-hour cost burden	

*Estimated Reporting and Recordkeeping Non-Hour Cost Burden:* We have identified one non-hour cost burden of \$7,500. The BSEE requires that shippers pay a nonrefundable fee of \$7,500 for a complaint submitted to BSEE (30 CFR 291.106). The fee is required to recover the Federal Government's processing costs.

*Public Disclosure Statement:* The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

*Comments:* Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3501, *et seq.*) requires each agency "... to provide notice ... and otherwise consult with members of the public and affected agencies concerning each proposed collection of information ... ." Agencies must specifically solicit comments to: (a) Evaluate whether the collection is necessary or useful; (b) evaluate the accuracy of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of technology.

To comply with the public consultation process, on November 18, 2013, we published a **Federal Register** notice (78 FR 69121) announcing that we would submit this ICR to OMB for approval. The notice provided the required 60-day comment period. In addition, § 291.1 provides the OMB

Control Number for the information collection requirements imposed by the 30 CFR Part 291 regulations. The regulation also informs the public that they may comment at any time on the collections of information and provides the address to which they should send comments. We received no comments in response to the **Federal Register** notice or any unsolicited comments.

*Public Availability of Comments:* Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

*BSEE Information Collection Clearance Officer:* Cheryl Blundon, 703-787-1607.
