

May 6, 2003.⁹ If applicable, this clarification will apply to entries of subject merchandise during the POR produced by Electrolux, for which it did not know that its merchandise was destined for the United States. Furthermore, this clarification applies to all POR entries entered under the case number for Samsung if we continue to make a final determination of no shipments of subject merchandise because it certified that it made no POR shipments of subject merchandise for which it had knowledge of U.S. destination. In such instances, we will instruct CBP to liquidate these entries at the all-others rate established in the less-than fair-value (LTFV) investigation, 36.52 percent,¹⁰ if there is no rate for the intermediary involved in the transaction. See *Assessment Policy Notice* for a full discussion of this clarification.

Cash Deposit Requirements

The following deposit requirements will remain effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication as provided in section 751(a)(1) of the Act: (1) The cash deposit rate for Electrolux will be that rate established in the final results of this review; (2) for previously investigated companies not covered in this review, the cash deposit rate will continue to be the rate published for the LTFV investigation; (3) if the exporter is not a firm covered in this review, or the LTFV investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; (4) if neither the exporter nor the manufacturer is a firm covered in this review or the LTFV investigation, the cash deposit rate will continue to be the all-others rate established in the LTFV investigation, which is 36.52 percent.¹¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR

351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: March 2, 2015.

Assistant Secretary for Enforcement and Compliance.
