

determinations in these investigations are due on March 25, 2015.

On February 24, 2015, American Cast Iron Pipe Company; Energex Tube, a division of JMC Steel Group; Northwest Pipe Company; Stupp Corporation, a division of Stupp Bros., Inc.; Tex-Tube Company; TMK IPSCO; and Welspun Tubular LLC USA, seven out of the eight U.S. producers on whose behalf the petitions in these cases were filed (hereafter, the petitioners) made timely requests, pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.205(e), for a 50-day postponement of the preliminary determinations in the investigations.<sup>2</sup> The petitioners stated that a postponement of the preliminary determinations in both welded line pipe investigations is necessary because the Department has either initiated, or is currently considering whether to initiate, investigations of sales below the cost of production, and, thus, the Department will require additional time for analysis and data collection prior to the preliminary determinations.

Under section 733(c)(1)(A) of the Act, if a petitioner makes a timely request for an extension of the period within which the preliminary determination must be made under subsection (b)(1), then the Department may postpone making the preliminary determination under subsection (b)(1) until not later than the 190th day after the date on which the administering authority initiated the investigation. Therefore, for the reasons stated above, and because there are no compelling reasons to deny the petitioners' requests, the Department is postponing the preliminary determinations in these investigations until May 14, 2015, which is 190 days from the date on which the Department initiated these investigations.

The deadline for the final determinations will continue to be 75 days after the date of the preliminary determinations, unless extended.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: March 3, 2015.
