

the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes that the proposed changes would ensure further consistency within the Exchange's Rules. The Exchange also believes that the proposed rule changes would further the objectives of the Act to protect investors by promoting the intermarket price protection goals of the Exchange's Order Protection Rule 6.81 and the Options Intermarket Linkage Plan.²² The Exchange believes its proposal would help ensure intermarket competition across all exchanges, aid in preventing intermarket trade-throughs, and facilitate compliance with best execution practices. The Exchange believes that these objectives are consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 11A of the Act. In addition, the Exchange believes that the proposed rule changes will clarify the manner in which orders are submitted into the SAM auction process and reduce the potential for confusion in the Rules. The Exchange believes that providing additional clarity to its Rules furthers the goal of promoting transparency in markets, which is in the best interests of market participants and the general public and consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the Exchange believes that the proposed rule would bolster intermarket competition by promoting fair competition among individual markets, while at the same time assuring that market participants receive the benefits of markets that are linked together, through facilities and rules, in a unified system, which promotes interaction among the orders of buyers and sellers. The Exchange believes its proposal would help ensure intermarket competition across all exchanges, aid in preventing intermarket trade-throughs, and facilitate compliance with best execution practices. In addition, the Exchange believes that the proposed rule change would help promote fair and orderly markets by helping to ensure compliance with the Order

Protection Rule. Thus, the Exchange does not believe the proposal creates any significant impact on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act²³ and Rule 19b-4(f)(6) thereunder.²⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on March 30, 2015, at 10:30 a.m., in Room 10800 at the Commission's headquarters building, to hear oral argument in cross-appeals by Francis V. Lorenzo and the Division of Enforcement from an initial decision of an administrative law judge.

On December 31, 2013, the law judge found that Lorenzo violated the antifraud provisions of Section 17(a) of the Securities Act of 1933, Section 10(b) of the Securities Exchange Act of 1934, and Exchange Act Rule 10b-5 when he sent two potential investors emails containing false and misleading information about his firm's client. The law judge ordered Lorenzo to cease and desist from violations of the antifraud provisions, barred him from the securities industry, and ordered him to pay a civil money penalty of \$15,000.

The issues likely to be considered at oral argument include whether Lorenzo violated the antifraud provisions as alleged and, if so, the extent to which he should be sanctioned for those violations.

The duty officer determined that no earlier notice thereof was possible. For further information, please contact the Office of the Secretary at (202) 551-5400.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-74555; File No. SR-MIAX-2015-20]

Self-Regulatory Organizations; Miami International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule

March 20, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 11, 2015, Miami International Securities Exchange LLC ("MIAX" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the MIAX Options Fee Schedule.

The text of the proposed rule change is available on the Exchange's Web site at http://www.miaxoptions.com/filter/wotitle/rule_filing, at MIAX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its current MIAX Market Maker³ sliding

scale for transaction fees to: (i) Adopt transaction fees for non-Penny Pilot options classes; and (ii) provide for additional incentives for achieving certain Priority Customer Rebate Program volume tiers.

The sliding scale for MIAX Market Maker transaction fees is based on the substantially similar fees of the Chicago Board Options Exchange, Incorporated ("CBOE").⁴ Currently, the program reduces a MIAX Market Maker's per contract transaction fee based on percentages of total national Market Maker volume of any options classes that trade on the exchange during the calendar month, based on the following scale:

Tier	Percentage of national Market Maker volume	Transaction fee per contract
1	0.00%–0.05%	\$0.25
2	Above 0.05%–0.50%	0.17
3	Above 0.50%–0.80%	0.12
4	Above 0.80%–1.50%	0.07
5	Above 1.50%	0.05

The Exchange proposes to amend its current MIAX Market Maker sliding scale for transactions to adopt transaction fees for non-Penny Pilot options classes. Specifically, the Exchange proposes to reduce a MIAX Market Maker's per contract transaction fee based on percentages of total national Market Maker volume of any options classes that trade on the exchange during the calendar month, based on the following scale:

Tier	Percentage of national Market Maker volume	Non-Penny Pilot classes transaction fee per contract
1	0.00%–0.05%	\$0.29
2	Above 0.05%–0.50%	0.21
3	Above 0.50%–0.80%	0.16
4	Above 0.80%–1.50%	0.11
5	Above 1.50%	0.09

The proposed sliding scale would apply to all MIAX Market Makers for transactions in all non-Penny Pilot options classes except mini-options. A MIAX Market Maker's initial \$0.29 per contract rate will be reduced if the MIAX Market Maker reaches the volume thresholds set forth in the sliding scale

Maker including RMM, LMM, PLMM, DLMM, and DPLMM.

⁴ See Securities Exchange Act Release Nos. 55193 (January 30, 2007), 72 FR 5476 (February 6, 2007) (SR-CBOE-2006-111); 57191 (January 24, 2008), 73 FR 5611 (January 30, 2008); 58321 (August 6, 2008), 73 FR 46955 (SR-CBOE-2008-78). See also CBOE Fees Schedule, p. 3. The Exchange notes that CBOE does not charge market makers a differentiated transaction fee for non-Penny Pilot option classes.
