Abstract of Proposed Collection

The DS-261 allows the beneficiary of an approved immigrant visa petition to provide the Department with his or her current address, which will be used for communications with the beneficiary. The DS-261 also allows the beneficiary to appoint an agent to receive communications relevant to the beneficiary's visa application from the National Visa Center (NVC) and assist in the filing of various application forms and/or paying the required fees. The beneficiary is not required to use an agent. The NVC can contact them directly. If the beneficiary chooses to serve as their own agent and have the NVC contact them directly, they will need to provide the NVC with their current contact information. All cases will be held at NVC until the DS-261 is electronically submitted to the Department.

Methodology

Applicants will submit the DS-261 electronically to the Department via the internet. Applicants who submit the electronic form will no longer submit paper-based applications to the Department.

Dated: March 26, 2015.

Managing Director, Bureau of Consular Affairs, Department of State.
