

specified above are acceptable in view of the greatly reduced offsite radiological consequences associated with the current plant status as permanently shut down.

The Commission has determined that, pursuant to 10 CFR 50.12, the exemptions are authorized by law, will not present an undue risk to the public health and safety, are consistent with the common defense and security, and special circumstances are present in that compliance with the specified regulations is not necessary for reasonable assurance that adequate protective measures can and will be taken in the event of a radiological emergency at the ZNPS facility based on its permanently shut down condition.

This exemption is effective upon issuance.

Self-Regulatory Organizations; NYSE MKT LLC.; Notice of Designation of Longer Period for Commission Action on Proceedings to Determine Whether to Approve or Disapprove Proposed Rule Change to Remove the Exchange's Quote Mitigation Plan as Provided by Exchange Rule 970.1NY

April 10, 2015.

I. Introduction

On October 2, 2014, NYSE MKT LLC ("NYSE MKT" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to remove the Exchange's quote mitigation plan as provided by NYSE MKT Rule 970.1NY. The proposed rule change was published for comment in the **Federal Register** on October 21, 2014.³ On December 2, 2014, the Commission extended the time period in which to either approve the proposal, disapprove the proposal, or to institute proceedings to determine whether to approve or disapprove the proposal, to January 19, 2015.⁴ On January 16, 2015, the Commission instituted proceedings to determine whether to approve or disapprove the proposal.⁵ The

⁵ See Securities Exchange Act Release No. 74087 (January 16, 2015), 80 FR 3697 (January 23, 2015) ("Order Instituting Proceedings").

Commission received 2 comment letters in further support of the proposal from NYSE MKT.⁶

Section 19(b)(2) of the Act⁷ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change.⁸ The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination.⁹ The proposed rule change was published for notice and comment in the **Federal Register** on October 21, 2014. April 19, 2015, is 180 days from that date, and June 18, 2015, is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposal, and the issues raised in NYSE MKT's comment letters.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁰ designates June 18, 2015 as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR-NYSEMKT-2014-86).

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

Rules 8b–1 to 8b–33 (17 CFR 270.8b–1 to 8b–33) under the Investment Company Act of 1940 (15 U.S.C. 80a–1 *et seq.*) (“Investment Company Act”) set forth the procedures for preparing and filing a registration statement under the Investment Company Act. These procedures are intended to facilitate the registration process. These rules generally do not require respondents to report information.¹

The Commission believes that it is appropriate to estimate the total respondent burden associated with preparing each registration statement form rather than attempt to isolate the impact of the procedural instructions under Section 8(b) of the Investment Company Act, which impose burdens only in the context of the preparation of the various registration statement forms. Accordingly, the Commission is not submitting a separate burden estimate for rules 8b–1 through 8b–33, but instead will include the burden for these rules in its estimates of burden for each of the registration forms under the Investment Company Act. The Commission is, however, submitting an hourly burden estimate of one hour for administrative purposes.

The collection of information under rules 8b–1 to 8b–33 is mandatory. The information provided under rules 8b–1 to 8b–33 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the

Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta_Ahmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use of EDGA Exchange, Inc.

April 10, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on April 1, 2015, EDGA Exchange, Inc. (the “Exchange” or “EDGA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b–4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend its fees and rebates applicable to Members⁵ of the Exchange pursuant to

EDGA Rule 15.1(a) and (c) (“Fee Schedule”) to: (i) Amend the fees charged for and description of the logical ports⁶ offered; (ii) amend the criteria for the MidPoint Discretionary Order Add Volume Tier; and (iii) make a series of immaterial, non-substantive changes.

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to: (i) Amend the fees charged for and description of the logical ports offered; (ii) amend the criteria for the MidPoint Discretionary Order Add Volume Tier; and (iii) make a series of immaterial, non-substantive changes.

Logical Ports

Currently, the Exchange maintains logical ports for order entry, drop copies, testing, and market data for which it currently charges \$500 per month per port, with the first two (2) ports provided free of charge. Ports used to request a re-transmission of market data from the Exchange are also provided free of charge.

with a registered broker or dealer, that has been admitted to membership in the Exchange. A Member will have the status of a “member” of the Exchange as that term is defined in Section 3(a)(3) of the Act.” See Exchange Rule 1.5(n).

⁶ A logical port is commonly referred to as a TCP/IP port, and represents a port established by the Exchange within the Exchange’s system for trading and billing purposes. Each logical port established is specific to a Member or non-member and grants that Member or non-member the ability to operate a specific application, such as FIX order entry or Multicast PITCH data receipt.

¹ Although the rules under Section 8(b) of the Investment Company Act are generally procedural in nature, two of the rules require respondents to disclose some limited information. Rule 8b–3 (17 CFR 270.8b–3) provides that whenever a registration form requires the title of securities to be stated, the registrant must indicate the type and general character of the securities to be issued. Rule 8b–22 (17 CFR 270.8b–22) provides that if the existence of control is open to reasonable doubt, the registrant may disclaim the existence of control, but it must state the material facts pertinent to the possible existence of control. The information required by both of these rules is necessary to ensure that investors have clear and complete information upon which to base an investment decision.
