DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

April 16, 2015.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *OIRA_Submission@omb.eop.gov* or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if they are received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Food and Nutrition Service

Title: FNS Generic Clearance for Pre-Testing, Pilot, and Field Testing Studies.

OMB Control Number: 0584-NEW.

Summary of Collection: The Food and Nutrition Service (FNS) is requesting approval from the Office of Management and Budget (OMB) to conduct pre-testing of surveys using a generic clearance that will allow FNS to conduct a variety of data-gathering activities aimed at improving the quality and usability of information collection instruments associated with research and analysis activities. The procedures utilized to this effect include but are not limited to experiments with levels of incentives for study participants, tests of various types of survey operations, focus groups, pilot testing, exploratory interviews, experiments with questionnaire design, and usability testing of electronic data collection instruments. The authorizing statutes for data collections submitted under this generic clearance are: The Healthy, Hunger-Free Kids Act of 2010 (Pub. L. 111-296, Sec 305), and Section 17 (7 U.S.C. 2026) (a)(1) of the Food and Nutrition Act of 2008.

Need and Use of the Information: The information collected will be used to pre-test, evaluate and improve the quality of surveys instruments and provide reassessments before they are conducted. This generic testing clearance is a helpful vehicle for evaluating questionnaires/assessments and various data collection procedures. It will allow FNS to take advantage of a variety of methods to identify questionnaire/assessment and procedural problems, suggest solutions, and measure the relative effectiveness of alternative solutions. The quality and timeliness of data collections will be improved by conducting pre-testing in advance of full surveys.

Description of Respondents: Individual or households; Business or other for-profit; Not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents: 1,500.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 1,500.

Ruth Brown,

Departmental Information Collection Clearance Officer.

SUPPLEMENTARY INFORMATION:

Background

The Codex Alimentarius Commission (Codex) was established in 1963 by two United Nations organizations, the Food and Agriculture Organization (FAO) and the World Health Organization (WHO). Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers and ensure fair practices in the food trade; promotes coordination of all food standards work undertaken by international governmental and non-governmental organizations; determines priorities and initiates and guides the preparation of draft standards through and with the aid of appropriate organizations; finalizes standards elaborated and publishes them in a *Codex Alimentarius* (food code) either as regional or worldwide standards; and amends published standards, as

appropriate, in the light of new developments.

Issues To Be Discussed at the Public Meeting

The following items on the Agenda for the 38th Session of CAC will be discussed during the public meeting:

- Adoption of the Agenda

Each issue listed will be fully described in documents distributed, or to be distributed, by the Secretariat prior to the Meeting. Members of the public may access or request copies of these documents (see **ADDRESSES**).

Public Meeting

At the June 17, 2015 public meeting, draft U.S. positions on the agenda items

will be described, discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate for the 38th Session of CAC (see **ADDRESSES**). Written comments should state that they relate to activities of the 38th session of the CAC.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS Web page located at: <http://www.fsis.usda.gov/federal-register>.

FSIS also will make copies of this publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is available on the FSIS Web page. Through the Web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <http://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.
