

Elk Creek, Forest Peak, Grass Mountain, High Peak—Moon Creek, Little North Fork Wilson River, Little Sink, Lost Prairie, Lower Scappoose Eagle, Mary's Peak, McCully Mountain, Middle Santiam Terrace, Mill Creek Ridge, Molalla Meadows, Nestucca River, Rickreall Ridge, Saddle Bag Mountain, Silt Creek, Snow Peak, Soosap Meadows, The Butte, Valley of the Giants, Walker Flat, Waterloo, White Rock Fen, Wilhoit Springs, Williams Lake, Yaquina Head, Yellowstone Creek, Sandy River, French Flat, and Waldo-Takilma.

If formally designated, all potential ACECs would be open to leasable mineral entry with a no surface occupancy stipulation, except for Valley of the Giants, for which the BLM does not own sub-surface mineral rights, except for 07S-08W-31 NE1/4.

If formally designated, the BLM would close all or part of the following potential ACECs to off-highway vehicle use: Lower Scappoose Eagle, North Bank, Table Rocks, New River, Hunter Creek Bog, North Fork Hunter Creek, Camas Swale, Cottage Grove Old Growth, Cougar Mountain Yew Grove, Dorena Prairie, Esmond Lake, Ferguson Creek, Fox Hollow, Garoutte Prairie, Grandmother's Grove, Grassy Mountain, Heceta Sand Dunes, Horse Rock Ridge, Jordan Creek, Lake Creek Falls, Lorane Ponderosa Pine, Low Elevation Headwaters of the McKenzie River, McGowan Meadow, Mohawk, Nails Creek, Oak Basin Prairies, Upper Elk Meadows, Upper Willamette Valley Margin, Willamette Valley Prairie Oak and Pine Area, Old Baldy, Spencer Creek, Woodcock Bog, Bear Gulch, Beatty Creek, Bushnell-Irwin Rocks, Callahan Meadows, Myrtle Island, North Myrtle Creek, Red Pond, Tater Hill, Beaver Creek, Crabtree Complex, Forest Peak, Grass Mountain, High Peak—Moon Creek, Little Sink, Lost Prairie, McCully Mountain, Mill Creek Ridge, Molalla Meadows, Rickreall Ridge, Saddle Bag Mountain, Silt Creek, Soosap Meadows, Walker Flat, Waterloo, Williams Lake, Yaquina Head, and French Flat. In all of the remaining potential ACECs, if formally designated, the BLM would limit off-highway vehicle use to existing or designated roads and trails.

If formally designated, the BLM would preclude timber harvest or condition timber harvest to maintain relevant and important values in all potential ACECs. As explained in Chapter 1 of the Draft RMP Revisions and Draft EIS for Western Oregon, the BLM will designate and manage ACECs on O&C lands where the special management needed to maintain

relevant and important values would not conflict with the planning for sustained-yield timber production for the purposes of the O&C Act.

If formally designated, the BLM would manage livestock grazing in all potential ACECs to maintain relevant and important values. The following potential ACECs are already closed to livestock grazing and would continue to be closed if formally designated: Old Baldy, Spencer Creek, Lost Lake, Round Top Butte, Table Rocks, and Poverty Flat. At the Bumpheads potential ACEC, the BLM maintains gap fence to exclude livestock and would continue that management if formally designated. The following potential ACECs are open to grazing with stipulations for fencing to control grazing that would continue if formally designated: Surveyor and Tunnel Creek. The following potential ACECs are open to grazing with stipulations to monitor important values and fence or implement other protection measures if needed and those stipulations would continue if formally designated: Cobleigh Road, Green Springs Mt Scenic, Hole-In-The-Rock, Hoxie Creek, Moon Prairie, and Tin Cup.

If formally designated, the BLM would designate all potential ACECs as Right-of-Way Avoidance Areas.

The BLM is planning a series of public meetings after the release of the Draft RMP Revisions and Draft EIS. The purpose of these meetings is to help members of the public understand the content of the Draft RMP Revisions and Draft EIS and provide meaningful and constructive comments. There will be at least six "open-house" public meetings (one meeting per District) where people can engage with BLM employees on all resources addressed in the Draft RMP Revisions and Draft EIS. The BLM will likely also be organizing issue-specific meetings on topics such as socio-economics, forestry, aquatics, and wildlife. Information on meeting locations and dates will be available at <http://www.blm.gov/or/plans/rmpswesternoregon/>. Following the close of the public review and comment period, any substantive public comments will be used to revise the Draft RMP Revisions and Draft EIS in preparation for their release to the public as the Proposed RMP and Final EIS. The BLM will respond to each substantive comment received during the public review and comment period by making appropriate revisions to the document or explaining why the comment did not warrant a change. Notice of the availability of the Proposed RMP and Final EIS will be posted in the **Federal Register**. Please

note that public comments and information submitted—including names, street addresses, and email addresses of persons who submit comments—will be available for public review and disclosure at the above address during regular business hours (8 a.m. to 4 p.m.), Monday through Friday, except holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Jerome E. Perez,

State Director, Oregon/Washington.

Authority: 40 CFR 1506.6, 40 CFR 1506.10, 43 CFR 1610.2.

National Register of Historic Places; Notification of Pending Nominations and Related Actions

Nominations for the following properties being considered for listing or related actions in the National Register were received by the National Park Service before April 4, 2015. Pursuant to section 60.13 of 36 CFR part 60, written comments are being accepted concerning the significance of the nominated properties under the National Register criteria for evaluation. Comments may be forwarded by United States Postal Service, to the National Register of Historic Places, National Park Service, 1849 C St. NW., MS 2280, Washington, DC 20240; by all other carriers, National Register of Historic Places, National Park Service, 1201 Eye St. NW., 8th floor, Washington, DC 20005; or by fax, 202-371-6447. Written or faxed comments should be submitted by May 11, 2015. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to

withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: April 8, 2015.

Bureau of Ocean Energy Management

[MMAA104000]

Information Collection: Prospecting for Minerals Other Than Oil, Gas, and Sulphur on the Outer Continental Shelf and Authorizations of Noncommercial Geological and Geophysical Activities; Proposed Collection for OMB Review; Comment Request

ACTION: 30-day notice.

SUMMARY: To comply with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Ocean Energy Management (BOEM) is notifying the public that we have submitted an information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval. The ICR pertains to the regulations under 30 CFR 580, *Prospecting for Minerals Other than Oil, Gas, and Sulphur on the Outer Continental Shelf*, as well as authorizations of noncommercial
