Welded Carbon Steel Standard Pipe and Tube Products From Turkey: Notice of Correction to the Final Results of Antidumping Duty Administrative Review; 2012-2013

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

FOR FURTHER INFORMATION CONTACT: Fred Baker or Robert James, AD/CVD Operations, Office VI, Enforcement and Compliance International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-2924 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION: On December 1, 2014, the Department of Commerce (the Department) published the final results of the 2012-2013 administrative review of the

antidumping duty order on welded carbon steel standard pipe and tube products from Turkey.¹ The period of review (POR) is May 1, 2012, through April 30, 2013. In the *Final Results*, the Department misspelled the name of a company on which the Department had initiated a review,² but for which record evidence does not exist under that spelling. Specifically, the Department initiated a review of Toscelik Profil ve Sac Endustisi A.S. However, information later placed on the record indicates that no company exists with this spelling (*i.e.*, spelled without an “r” in the final word of the name).³ While we intended to include this company in the list of companies that had made no shipments during the POR, we mistakenly listed the company as Toscelik Profil ve Sac Endustrisi A.S. (*i.e.*, with an “r” in the last full word of the name). In the list of companies that had no shipments, the Department intended to spell this company name as Toscelik Profil ve Sac Endustisi A.S. (*i.e.*, without an “r” in the last full word of the name).

This correction to the final results of administrative review is issued and published in accordance with sections 751(h) and 777(i) of the Tariff Act of 1930, as amended.

Dated: January 9, 2015.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this review are addressed in the Issues and Decision Memorandum. A list of the issues which parties raised is attached to this notice as an appendix. The Issues and Decision Memorandum is a public document and is on file in the Central Records Unit (“CRU”), Room 7046 of the main

from the Socialist Republic of Vietnam: Second Extension of Deadline for Final Results of Antidumping Duty Administrative Review, dated November 19, 2014.

⁵ Until June 30, 2004 these products were classifiable under HTSUS 0304.20.6030, 0304.20.6096, 0304.20.6043 and 0304.20.6057. From July 1, 2004 until December 31, 2006 these products were classifiable under HTSUS 0304.20.6033. Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, and for the reasons explained in the Issues and Decision Memorandum, we revised the margin calculation for HVG.⁸ The Surrogate Values Memo contains further explanation of our changes to the surrogate values selected for HVG’s factors of production.⁹ The Department also has revised the separate rate status for Can Tho Import-Export Joint Stock Company (“CASEAMEX”).¹⁰

that An Giang Agriculture and Food Import-Export Joint Stock Company (“Afex”); Golden Quality Seafood Corporation (“Golden Quality”); Hoa Phat Seafood Import-Export and Processing J.S.C. (“Hoa Phat”); and To Chau Joint Stock Company (“To Chau”) did not have any reviewable transactions during the POR.¹¹ Consistent with the Department’s refinement to its assessment practice in non-market economy (“NME”) cases, we completed the review with respect to the above-named companies.¹² Based on the certifications submitted by Afex, Golden Quality, Hoa Phat, and To Chau, and our analysis of CBP information, we continue to determine that these companies did not have any reviewable transactions during the POR. As noted in the “Assessment Rates” section below, the Department intends to issue appropriate instructions to CBP for the above-named companies based on the final results of the review.

Application of Adverse Facts Available and the Rate Assigned to the Vietnam-Wide Entity

As stated in the *Preliminary Results*, the Vietnam-wide entity, which includes Anvifish Joint Stock Company (“Anvifish”), failed to cooperate to the best of its ability in providing requested information because it withheld requested information, failed to provide the information in a timely manner and in the form requested, and significantly impeded this proceeding.¹³ The Department has not received any information since the *Preliminary Results* that calls into question that earlier determination. Accordingly, pursuant to sections 776(a)(2)(A), (B), and (C) and section 776(b) of the Tariff Act of 1930, as amended (“the Act”), we continue to find it appropriate to assign the Vietnam-wide entity a rate based on total adverse facts available (“AFA”).

* No Shipments or sales in this review, and the firm has an individual rate from a prior segment of the proceeding in which the firm had shipments or sales.

¹⁴ In the third administrative review of this order, the Department determined that it would calculate per-unit assessment and cash deposit rates for all future reviews. See *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review and Partial Rescission*, 73 FR 15479 (March 24, 2008).

¹⁶ This rate is also applicable to QVD Dong Thap Food Co., Ltd. (“Dong Thap”) and Thuan Hung Co., Ltd. (“THUFICO”). In the second review of this order, the Department found QVD, Dong Thap and THUFICO to be a single entity, and because there has been no evidence submitted on the record of this review that calls this determination into question, we continue to find these companies to be part of a single entity. Therefore, we will assign this rate to the companies in the single entity. See *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 53387 (September 11, 2006).

¹⁷ The Vietnam-wide rate also includes the following companies which are under review, but which did not submit a separate rate application or certification: East Sea Seafoods Limited Liability Company and Anfish Joint Stock Company. The Vietnam-wide rate also includes Can Tho Import-Export Joint Stock Company.

accordance with section 351.224(b) of the Department’s regulations.

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

For assessment purposes, we calculated importer (or customer)-specific assessment rates for merchandise subject to this review. We will continue to direct CBP to assess importer specific assessment rates based on the resulting per-unit (*i.e.*, per kg) rates by the weight in kgs of each entry of the subject merchandise during the POR. Specifically, we calculated importer specific duty assessment rates on a per-unit rate basis by dividing the total dumping margins (calculated as the difference between normal value and export price, or constructed export price) for each importer by the total sales quantity of subject merchandise sold to that importer during the POR. If an importer (or customer)-specific assessment rate is *de minimis* (*i.e.*, less

than 0.50 percent), the Department will instruct CBP to assess that importer (or customer’s) entries of subject merchandise without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2).

The Department determines that Afiex, Golden Quality, Hoa Phat, and To Chau did not have any reviewable transactions during the POR. As a result, any suspended entries that entered under these exporter’s case numbers (*i.e.*, at that exporter’s rate) will be liquidated at the Vietnam-wide rate.¹⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate established in the final results of review (except, if the rate is zero or *de minimis*, *i.e.*, less than 0.5 percent, a zero cash deposit rate will be required for that company); (2) for

¹⁸ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011); see also Preliminary Decision Memorandum, at 4–5.

previously investigated or reviewed Vietnamese and non-Vietnamese exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all Vietnamese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the Vietnam-wide rate of \$2.39 per kg; and (4) for all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporters that supplied that non-Vietnamese exporter. The deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these administrative reviews and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: January 7, 2015.

Assistant Secretary for Enforcement and Compliance.
