General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation

may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: U.S. Customs and Border Protection (“CBP”) notified the Commission that the six above-identified exclusion orders may be candidates for rescission based on changed conditions of fact or law. Each of the above-identified exclusion orders issued over twenty (20) years ago and each resulted from a Commission investigation alleging a violation of section 337 based on at least trademark or trade dress infringement. CBP’s preliminary investigation indicated that the trademarks or trade dress at issue in the exclusion orders were no longer used in commerce or that complainant had stopped making required compliance filings. See EDIS Document Nos. 542137-42.

On October 22, 2014, the Commission issued a notice requesting submissions from the public, including the owners of the intellectual property (e.g., trademarks or trade dress) at issue, on whether these exclusion orders should be rescinded based on changed conditions of fact or law, or the public interest, pursuant to 19 CFR § 210.76. 79 FR 64214 (Oct. 28, 2014). The Commission received submissions from the owners of the intellectual property at issue in the 087, 105, and 112 investigations showing continued use of the subject intellectual property. The Commission did not receive any submission from the owner of the intellectual property at issue in the 287 investigation. The owner of the intellectual property at issue in the 295 investigation stated that the subject intellectual property of the exclusion order was no longer used in commerce. The owner of the intellectual property at issue in the 055 investigation stated that it no longer wants the remedy of the exclusion order. The Commission received no other submissions.

Based on the foregoing, the Commission has determined that the lack of a showing of continued use of the intellectual property at issue in the 287 and 295 investigations, and the lack of an interest in continuing the remedy in the 055 investigation constitute “changed conditions of fact or law, or the public interest” sufficient to justify rescission of the exclusion orders issued in those investigations pursuant to 19 CFR § 210.76(a)(1). The Commission has therefore rescinded those exclusion orders.

Also pursuant to Commission rule 210.76(a)(1), the Commission has modified the exclusion orders issued in *Certain Coin-Operated Audio Visual Games and Components Thereof*, Inv. No. 337-TA-087; *Certain Coin-Operated Audio Visual Games and Components Thereof (Viz., Rally-X and PAC MAN)*, Inv. No. 337-TA-105; and *Certain Cube Puzzles*, Inv. No. 337-TA-112 to require that complainant report to the Commission, on a semi-annual basis, whether complainant is continuing to use the subject intellectual property in commerce.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission’s Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Lisa R. Barton,

Secretary to the Commission.
