

(DFO). The DFO's contact information can be obtained from the General Services Administration's Federal Advisory Committee Act Database at <http://facadatabase.gov/>.

Written statements that do not pertain to the scheduled meeting of the Panel may be submitted at any time. However, if individual comments pertain to a specific topic being discussed at a planned meeting, then these statements must be submitted no later than 5 business days prior to the meeting in question. The DFO will review all submitted written statements and provide copies to all the committee members.

**Public Comments:** In addition to written statements, the Panel will set aside 1 hour for individuals or interested groups to address the Panel. To ensure consideration of their comments, individuals and interested groups should submit written statements as outlined in this notice; but if they still want to address the Panel, then they will be afforded the opportunity to register to address the Panel. The Panel's DFO will have a "Sign-Up Roster" available at the Panel meeting for registration on a first-come, first-serve basis. Those wishing to address the Panel will be given no more than 5 minutes to present their comments, and at the end of the 1 hour time period, no further public comments will be accepted. Anyone who signs-up to address the Panel, but is unable to do so due to the time limitation, may submit their comments in writing; however, they must understand that their written comments may not be reviewed prior to the Panel's deliberation.

To ensure timeliness of comments for the official record, the Panel encourages that individuals and interested groups consider submitting written statements instead of addressing the Panel.

**AGENCY:** Office of Postsecondary Education, Department of Education

**ACTION:** Notice.*Overview Information:*

Predominantly Black Institutions  
Competitive Grant Program (PBI  
Program)

Notice inviting applications for new  
awards for fiscal year (FY) 2015.

Catalog of Federal Domestic  
Assistance (CFDA) Number: 84.382A.

*Dates:*

Applications Available: May 18, 2015.

Deadline for Transmittal of

Applications: July 2, 2015.

Deadline for Intergovernmental

Review: August 31, 2015.

**Full Text of Announcement****I. Funding Opportunity Description**

*Purpose of Program:* The purpose of the PBI Program is to strengthen Predominantly Black Institutions (PBIs) to carry out programs in the following areas: science, technology, engineering, or mathematics (STEM); health education; internationalization or globalization; teacher preparation; or improving educational outcomes of African-American males.

*Background:* We encourage applicants to read carefully the *Selection Criteria* section of this notice. Consistent with the Department's increasing emphasis in recent years on promoting evidence-based practices through our grant competitions, the Secretary will evaluate applications on the extent to which the proposed project is supported by a logic model that meets the evidence standard of "strong theory" (as defined in this notice). Resources to assist applicants in creating a logic model can be found here: [http://ies.ed.gov/ncee/edlabs/regions/pacific/pdf/REL\\_2014007.pdf](http://ies.ed.gov/ncee/edlabs/regions/pacific/pdf/REL_2014007.pdf).

*Priorities:* This notice contains two competitive preference priorities. These priorities are from the Department's notice of final supplemental priorities and definitions for discretionary grant programs (Supplemental Priorities), published in the **Federal Register** on December 10, 2014 (79 FR 73425).

*Competitive Preference Priorities:* For FY 2015 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award an application up to three additional points for each priority, for a total of up to six additional points, depending on how well the application meets each of these priorities.

These priorities are:

*Competitive Preference Priority 1:*  
*Increasing Postsecondary Access,*

*Affordability, and Completion (up to 3 points).*

Projects that are designed to address one or both of the following:

(a) Reducing the net cost, median student loan debt, and likelihood of student loan default for high-need students who enroll in college, other postsecondary education, or other career and technical education.

(b) Supporting the development and implementation of high-quality online or hybrid credit-bearing and accessible learning opportunities that reduce the cost of higher education, reduce time to degree completion, or allow students to progress at their own pace.

*Competitive Preference Priority 2:*  
*Improving Teacher Effectiveness and Promoting Equitable Access to Effective Teachers (up to 3 points).*

Projects that are designed to increase the number and percentage of effective teachers in lowest-performing schools, schools in rural local educational agencies, or schools with high concentrations of students from low-income families and minority students, through such activities as:

(a) Improving the preparation, recruitment, selection, and early career development of teachers; implementing performance-based certification systems; reforming compensation and advancement systems; and reforming hiring timelines and systems.

(b) Improving the retention of effective teachers through such activities as creating or enhancing opportunities for teachers' professional growth; delivering professional development to teachers that is relevant, effective, and outcome-oriented; reforming compensation and advancement systems; and improving workplace conditions to create opportunities for successful teaching and learning.

*Definitions:* The following definitions are from the Supplemental Priorities and from 34 CFR 77.1 and apply to the priorities and selection criteria in this notice:

*High-minority school* means a school as that term is defined by a local educational agency (LEA), which must define the term in a manner consistent with its State's Teacher Equity Plan, as required by section 1111(b)(8)(C) of the Elementary and Secondary Education Act of 1965, as amended (ESEA). The applicant must provide the definition(s) of high-minority schools used in its application.

*High-need students* means students who are at risk of educational failure or otherwise in need of special assistance and support, such as students who are living in poverty, who attend high-

minority schools, who are far below grade level, who have left school before receiving a regular high school diploma, who are at risk of not graduating with a diploma on time, who are homeless, who are in foster care, who have been incarcerated, who have disabilities, or who are English learners.

*Logic model* (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (i.e., the active "ingredients" that are hypothesized to be critical to achieving the relevant outcomes) and describes the relationships among the key components and outcomes, theoretically and operationally.

**Note:** In developing logic models, applicants may want to use resources such as the Pacific Education Laboratory's Education Logic Model Application ([www.relpacific.mcrel.org/PERR.html](http://www.relpacific.mcrel.org/PERR.html) or <http://files.eric.ed.gov/fulltext/ED544779.pdf>) to help design their logic models.

*Lowest-performing schools* means—

For a State with an approved request for flexibility under the ESEA, priority schools or Tier I and Tier II schools that have been identified under the School Improvement Grants (SIG) program.

For any other State, Tier I and Tier II schools that have been identified under the SIG program.

*Persistently-lowest achieving school* means, as determined by the State—

(a)(1) Any Title I school that has been identified for improvement, corrective action, or restructuring under section 1116 of the ESEA and that—

(i) Is among the lowest-achieving five percent of Title I schools in improvement, corrective action, or restructuring or the lowest-achieving five Title I schools in improvement, corrective action, or restructuring in the State, whichever number of schools is greater; or

(ii) Is a high school that has had a graduation rate, as defined in 34 CFR 200.19(b), that is less than 60 percent over a number of years; and

(2) Any secondary school that is eligible for, but does not receive, Title I funds that—

(i) Is among the lowest-achieving five percent of secondary schools or the lowest-achieving five secondary schools in the State that are eligible for, but do not receive, Title I funds, whichever number of schools is greater; or

(ii) Is a high school that has had a graduation rate, as defined in 34 CFR 200.19(b), that is less than 60 percent over a number of years.

(b) To identify the lowest-achieving schools, a State must take into account both—

(i) The academic achievement of the “all students” group in a school in terms of proficiency on the State’s assessments under section 1111(b)(3) of the ESEA, in reading/language arts and mathematics combined; and

(ii) The school’s lack of progress on those assessments over a number of years in the “all students” group.

*Priority schools* means schools that, based on the most recent data available, have been identified as among the lowest-performing schools in the State. The total number of priority schools in a State must be at least five percent of the Title I schools in the State. A priority school is—

(a) A school among the lowest five percent of Title I schools in the State based on the achievement of the “all students” group in terms of proficiency on the statewide assessments that are part of the state educational agency’s (SEA’s) differentiated recognition, accountability, and support system, combined, and has demonstrated a lack of progress on those assessments over a number of years in the “all students” group;

(b) A Title I-participating or Title I-eligible high school with a graduation rate that is less than 60 percent over a number of years; or

(c) A Tier I or Tier II school under the SIG program that is using SIG funds to implement a school intervention model.

*Regular high school diploma* means the standard high school diploma that is awarded to students in the State and that is fully aligned with the State’s academic content standards or a higher diploma and does not include a General Education Development credential, certificate of attendance, or any alternative award.

*Rural local educational agency* means an LEA that is eligible under the Small Rural School Achievement program or the Rural and Low-Income School program authorized under title VI, part B of the ESEA. Eligible applicants may determine whether a particular LEA is eligible for these programs by referring to information on the Department’s Web site at [www2.ed.gov/nclb/freedom/local/reap.html](http://www2.ed.gov/nclb/freedom/local/reap.html).

*Strong theory* means a rationale for the proposed process, product, strategy, or practice that includes a logic model.

*Tier I schools* means—

(a) A Title I school that has been identified as in improvement, corrective action, or restructuring under section 1116 of the ESEA and that is identified by the SEA under paragraph (a)(1) of the definition of persistently-lowest achieving school.

(b) An elementary school that is eligible for title I, part A funds that—

(1)(i) Has not made adequate yearly progress for at least two consecutive years; or

(ii) Is in the State’s lowest quintile of performance based on proficiency rates on the State’s assessments under section 1111(b)(3) of the ESEA in reading/language arts and mathematics combined; and

(2) Is no higher achieving than the highest-achieving school identified by the SEA under paragraph (a)(1)(i) of the definition of persistently-lowest achieving school.

*Tier II schools* means—

(a) A secondary school that is eligible for, but does not receive, title I, part A funds and is identified by the SEA under paragraph (a)(2) of the definition of persistently-lowest achieving schools.

(1)(i) Has not made adequate yearly progress for at least two consecutive years; or

(ii) Is in the State’s lowest quintile of performance based on proficiency rates on the State’s assessments under section 1111(b)(3) of the ESEA, in reading/language arts and mathematics combined; and

(2)(i) Is no higher achieving than the highest-achieving school identified by the SEA under paragraph (a)(2)(i) of the definition of persistently-lowest achieving school; or

(ii) Is a high school that has had a graduation rate, as defined in 34 CFR 200.19(b), that is less than 60 percent over a number of years.

*Program Authority:* 20 U.S.C. 1067q.

*Applicable Regulations:* (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 77, 79, 82, 84, 86, 97, 98, and 99. (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. #### 2. Content and Form of Application Submission:

Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

**Page Limit:** The application narrative (Part III of the application) is where you, the applicant, address the selection criteria and the competitive preference priorities that reviewers use to evaluate your application. We have established the following mandatory page limits. You must limit the section of the application narrative that addresses:

- The selection criteria to no more than 40 pages.
- A competitive preference priority, if you are addressing one or both, to no more than three pages (for a total of six pages if you address both).

Accordingly, under no circumstances may the application narrative exceed 46 pages. Please include a separate heading for each competitive preference priority that you address.

For the purpose of determining compliance with the page limit, each page on which there are words will be counted as one full page. Applicants must use the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides. Page numbers and an identifier may be within the 1" margins.
- Double space (no more than three lines per vertical inch) all text in the application narrative, *except* titles, headings, footnotes, quotations, references, captions, and all text in charts, tables, figures, and graphs. These items may be single-spaced. Charts, tables, figures, and graphs in the application narrative count toward the page limit.
- Use a font that is either 12 point or larger, or no smaller than 10 pitch

(characters per inch). However, you may use a 10-point font in charts, tables, figures, graphs, footnotes, and endnotes.

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

The page limit does not apply to Part I, the cover sheet SF 424; Part II, the budget section, including the narrative budget justification; or Part IV, the assurances and certifications. The page limit also does not apply to the table of contents, the one-page abstract, the resumes, the bibliography, or the letters of support. If you include any attachments or appendices not specifically requested, these items will be counted as part of the application narrative for purposes of the page-limit requirement. You must include your complete response to the selection criteria and priorities in the application narrative.

We will reject your application if you exceed the page limit.

3. *Submission Dates and Times:*  
Applications Available: May 18, 2015.  
Deadline for Transmittal of Applications: July 2, 2015.

Applications for grants under this program must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. *Other Submission Requirements* of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: August 31, 2015.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372

is in the application package for this competition.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management:* To do business with the Department of Education, you must—

a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);

b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government's primary registrant database;

c. Provide your DUNS number and TIN on your application; and

d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one to two business days. If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active. The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

**Note:** Once your SAM registration is active, you will need to allow 24 to 48 hours for the information to be available in Grants.gov and before you can submit an application through Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at [www.SAM.gov](http://www.SAM.gov). To further assist you

with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: [www.grants.gov/web/grants/register.html](http://www.grants.gov/web/grants/register.html).

7. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the PBI Program, CFDA number 84.382A, must be submitted electronically using the Governmentwide Grants.gov Apply site at [www.Grants.gov](http://www.Grants.gov). Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the PBI Program at [www.Grants.gov](http://www.Grants.gov). You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.382, not 84.382A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time

stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at [www.G5.gov](http://www.G5.gov).
