regarding protections for such
individuals. The Privacy Act, as
amended, regulates the use of computer
matching by Federal agencies when
records in a system of records are
matched with other Federal, State, or
local government records. Among other
things, it requires Federal agencies
involved in computer matching
programs to:(1) Negotiate written agreements with
the other agency for agencies
participating in the matching programs;(2) Obtain the approval of the match
agreement by the Data Integrity Boards
(DIB) of the participating Federal
agencies;(3) Furnish detailed reports about

Office of Personnel Management (OPM)
with the Social Security Administration
(SSA)****A. Participating agencies**

OPM and SSA.

B. Purpose of the Matching ProgramThe purpose of this agreement is to
establish the terms, conditions and
safeguards for disclosure of Social
Security benefit information to OPM via
direct computer link for the
administration of certain programs by
OPM's Retirement Services. OPM is
legally required to offset specific

benefits by a percentage of benefits (*i.e.* Disability Annuitants, Children Survivor Annuitants and Spousal Survivor Annuitants) payable under Title II of the Social Security Act. This matching activity will enable OPM to compute benefits at the correct rate and determine eligibility for these benefits.

C. Authority for Conducting the Matching Program

Section 8461 (h) of title 5 of the United States Code.

D. Categories of Records and Individuals Covered by the Match

Under the matching program, OPM will match SSA's disability insurance benefits (DIB) and payment date against OPM's records of retirees receiving a FERS disability annuity. The purpose of the matching program is to identify a person receiving both a FERS disability annuity and a DIB under section 223 of the Social Security Act, 42 U.S.C. 423, in order to apply OPM offsets. Under FERS, 5 U.S.C. 8452(a)(2)(A), for any month in which an annuitant is entitled to both a FERS disability annuity and to a DIB, the FERS annuity shall be computed as follows: The FERS disability annuity is reduced, for any month during the first year after the individual's FERS disability annuity commences or is restored, by 100% of the individual's assumed Social Security DIB for such month, and, for any month occurring during a period other than the period described above, by 60% of the individual's assumed Social Security DIB for such month. OPM will provide SSA with an extract from the Annuity Master File and from pending claims snapshot records via the File Transfer Management System (FTMS). The extracted file will contain identifying information concerning the child survivor annuitant for whom OPM needs information concerning receipt of SSA child survivor benefits: full name, Social Security Number, date of birth, and type of information requested, as required to extract data from the SSA State Verification and Exchange System Files for Title II records. Each record on the OPM file will be matched to SSA's records to identify FERS child survivor annuitants who are receiving SSA CIBs. The SSA systems of records involved in this CMA are the Master Files of Social Security Number Holders and SSN Applications (Numident), 60-0058 and the MBR, 60-0090. OPM's system of records involved in this matching program is designated OPM/Central-1, Civil Service Retirement and Insurance Records. For records from OPM/Central-1, notice was provided by the publication of the system of records in

the **Federal Register** at 64 FR 54930 (Oct. 8, 1999), as amended at 73 FR 15013 (March 20, 2008).

OPM's records of surviving spouses who may be eligible to receive the FERS Supplementary Annuity will be matched against SSA's mother or father's insurance benefit and/or disabled widow(er)'s insurance benefit records. If the surviving spouse is receiving one of the above described Social Security benefits, he or she is not eligible to receive the FERS Supplementary Annuity. FERS, 5 U.S.C. 8442 (f) provides that a survivor who is entitled to a survivor's annuity and who meets certain other statutory requirements shall also be entitled to a Supplementary Annuity. To be eligible to receive a Supplementary Annuity for a given month, the surviving spouse of a deceased FERS annuitant must be eligible for a FERS survivor annuity, be under age 60, be an individual who would be entitled to widow's or widower's insurance benefits under the requirements of sections 202(e) and 402(f), based on the wages and self employment survivor had attained age 60 and otherwise satisfied necessary requirement for widow's or widow(er)'s insurance benefits. See 5 U.S.C. 8442(f)(4)(B). The individual must not be eligible for Social Security mother's or father's insurance benefits or disabled widow(er)'s insurance benefits based on the deceased annuitant's wages and selfemployment income.

E. Privacy Safeguards and Security

The Privacy Act (5 U.S.C. 552a(o)(1)(G)) requires that each matching agreement specify procedures for ensuring the administrative, technical, and physical security of the records matched and the results of such programs. All Federal agencies are subject to: The Federal Information Security Management Act of 2002 (FISMA) (44 U.S.C. 3541 *et seq.*); related OMB circulars and memorandum (*e.g.* OMB Circular A-130 and OMB M-06-16); National Institute of Science and Technology (NIST) directives; and the Federal Acquisition Regulations (FAR). These laws, circulars, memoranda, directives and regulations include requirements for safeguarding Federal information systems and personally identifiable information used in Federal agency business processes, as well as related reporting requirements. OPM and SSA recognize that all laws, circulars, memoranda, directives, and regulations relating to the subject of this agreement and published subsequent to the effective date of this agreement must also be implemented if mandated. FISMA requirements apply to all

Federal contractors and organizations or sources that process or use Federal information, or that operate, use, or have access to Federal information systems on behalf of an agency. OPM will be responsible for oversight and compliance of their contractors and agents. Both OPM and SSA reserve the right to conduct onsite inspection to monitor compliance with FISMA regulations.

F. Inclusive Dates of the Match

The matching program shall become effective upon signing of the agreement by both parties to the agreement and approval of the agreement by the Data Integrity Boards of the respective agencies, but no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget or 30 days after publication of this notice in the **Federal Register**, whichever is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.

U.S. Office of Personnel Management.
