Foreign-Trade Zones Board

[B-38-2015]

Foreign-Trade Zone 8—Toledo, Ohio; Application for Reorganization (Expansion of Service Area) Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Toledo-Lucas County Port Authority, grantee of Foreign-Trade Zone 8, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater

flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on June 9, 2015.

FTZ 8 was approved by the FTZ Board on October 11, 1960 (Board Order 51, 25 FR 9909, 10/15/1960) and reorganized under the ASF on December 20, 2012 (Board Order 1875, 78 FR 1197, 1/8/2013). The zone currently has a service area that includes Sandusky, Henry, Wood, Lucas and Defiance Counties, Ohio.

The applicant is now requesting authority to expand the service area of the zone to include Erie, Fulton, Ottawa, Paulding and Williams Counties, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies’ needs for FTZ designation. The proposed expanded service area is adjacent to the Toledo Customs and Border Protection Port of Entry.

In accordance with the FTZ Board’s regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is August 11, 2015. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 26, 2015.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230–0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz. Certain Pasta From Italy: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from P.A.P. S.R.L. (PAP SRL), a producer/exporter of certain pasta from Italy, and pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216 and 351.221(c)(3)(ii), the Department of Commerce (the Department) is initiating a changed circumstances review (CCR) of the antidumping duty (AD) order on certain pasta from Italy with regard to PAP SRL. Based on the information received, we preliminarily determine that PAP SRL is the successor-in-interest to P.A.P. SNC Di Pазienza G. B. & C (PAP SNC) for purposes of determining AD liability. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* June 12, 2015.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–3797.

SUPPLEMENTARY INFORMATION:

Background

On July 24, 1996, the Department published in the **Federal Register** the AD duty order on certain pasta from Italy.¹ On April 22, 2015, PAP SRL requested that the Department conduct a CCR under section 751(b)(1) of the Act and 19 CFR 351.216 (b) to determine that it is the successor-in-interest to PAP SNC,² and assign it the cash deposit rate of its predecessor, PAP SNC. PAP SRL based its request on the claim that it operates as the same business entity as PAP SNC.³

We received no comments from interested parties.

Scope of the Order

Imports covered by the order are shipments of certain non-egg dry pasta.

¹ See *Notice of Antidumping Duty Order and Amended Final Determination of Sales at Less Than Fair Value: Certain Pasta From Italy*, 61 FR 38547 (July 24, 1996) (*Pasta Italy Order*).

² See PAP SRL’s request for Changed-Circumstances Review dated April 22, 2015 (CCR Request).

³ *Id.*, at 2–4.

The merchandise subject to review is currently classifiable under items 1901.90.90.95 and 1902.19.20 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.⁴

Initiation and Issuance of Preliminary Results of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Act and 19 CFR 351.216(d), the Department will conduct a CCR upon receipt of a request from an interested party or receipt of information concerning an AD order which shows changed circumstances sufficient to warrant a review of the order.

As noted above in the “Background” section, we received information indicating that in January 2015, PAP SNC’s legal form was changed from a *Società in nome collettivo*, or SNC, which is a form of partnership, to a *Società a responsabilità limitata*, or SRL, which is a form of limited-liability corporation. The Department determines that the information submitted by PAP SRL constitutes sufficient evidence to warrant a CCR of this order.⁵ Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR 351.216(d), we are initiating a CCR based upon the information contained in PAP SRL’s submission.⁶

19 CFR 351.221(c)(3)(ii) permits the Department to combine the notice of initiation of a CCR and the notice of preliminary results if the Department concludes that expedited action is warranted. In this instance, because we have the information necessary on the record to make a preliminary finding, we find that expedited action is warranted, and are combining the notice of initiation and the notice of preliminary results in accordance with 19 CFR 351.221(c)(3)(ii).⁷

⁴ For a full description of the scope of the order, see the memorandum titled “Initiation and Preliminary Results of Changed Circumstances Review: Certain Pasta from Italy” from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, dated concurrently with this notice (Preliminary Decision Memorandum).
