

is one-half hour. Accordingly, the staff estimates that total annual burden for all participants is 5 hours (10 × one-half hour). The Commission staff estimates that compliance staff work at subject entities results in an internal cost of compliance, at an estimated hourly wage of \$283, of \$141.50 per year per entity (.5 hours × \$283 per hour = \$141.50 per year). Therefore, the aggregate annual internal cost of compliance is approximately \$1,415 (\$141.50 × 10 = \$1,415).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

## SECURITIES AND EXCHANGE COMMISSION

[ File No. 500-1 ]

### In the Matter of BioCoral, Inc., GC China Turbine Corp., Race World International, Inc., and Worldwide Biotech & Pharmaceutical Co.; Order of Suspension of Trading

June 18, 2015.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of BioCoral, Inc. (CIK No. 919605), a Delaware

corporation with its principal place of business listed as La Garenne-Colombes, France, with stock quoted on OTC Link (previously, "Pink Sheets") operated by OTC Markets Group, Inc. ("OTC Link") under the ticker symbol BCRA, because it has not filed any periodic reports since the period ended September 30, 2012. On February 27, 2014, the Division of Corporation Finance sent BioCoral a delinquency letter requesting compliance with its periodic filing obligations, but the letter was returned because of BioCoral's failure to maintain a valid address on file with the Commission.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of GC China Turbine Corp. (CIK No. 1380528), a revoked Nevada corporation with its principal place of business listed as Wuhan, China, with stock quoted on OTC Link under the ticker symbol GCHT, because it has not filed any periodic reports since the period ended September 30, 2011. On or about October 15, 2013, GC China Turbine received a delinquency letter sent by the Division of Corporation Finance requesting compliance with their periodic filing obligations.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Race World International, Inc. (CIK No. 1415736), a revoked Nevada corporation with its principal place of business listed as Weifang, China, with stock quoted on OTC Link under the ticker symbol RCWR, because it has not filed any periodic reports since the period ended June 30, 2011. On July 22, 2013, Race World International received a delinquency letter sent by the Division of Corporation Finance requesting compliance with their periodic filing obligations.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Worldwide Biotech & Pharmaceutical Co. (CIK No. 95302), a forfeited Delaware corporation with its principal place of business listed as Xi'an, China, with stock quoted on OTC Link under the ticker symbol WWBP, because it has not filed any periodic reports since the period ended March 31, 2011. On May 10, 2012, the Division of Corporation Finance sent Worldwide Biotech a delinquency letter requesting compliance with their periodic filing obligations, but the letter was returned because of Worldwide Biotech's failure to maintain a valid address on file with the Commission.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed companies.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed companies is suspended for the period from 9:30 a.m. EDT on June 18, 2015, through 11:59 p.m. EDT on July 1, 2015.

By the Commission.

#### Extension:

Voluntary XBRL-Related Documents, SEC File No. 270-550, OMB Control No. 3235-0611.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("Paperwork Reduction Act"), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

As part of our evaluation of the potential of interactive data tagging technology, the Commission permits registered investment companies ("funds") to submit on a voluntary basis specified financial statement and portfolio holdings disclosure tagged in eXtensible Business Reporting Language ("XBRL") format as an exhibit to certain filings on the Commission's Electronic Data Gathering, Analysis and Retrieval System ("EDGAR"). The current voluntary program permits any fund to participate merely by submitting a tagged exhibit in the required manner. These exhibits are publicly available but are considered furnished rather than filed. The purpose of the collection of information is to help evaluate the usefulness of data tagging and XBRL to registrants, investors, the Commission, and the marketplace.

We estimate that no funds participate in the voluntary program each year. This information collection, therefore, imposes no hour burden; however, we are requesting a burden of one hour for administrative purposes. We also estimate that the information collection imposes no cost burden.

Estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Participation in the program is voluntary. Submissions under the program will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

## SECURITIES AND EXCHANGE COMMISSION

[ File No. 500-1 ]

### In the Matter of GSP-2, Inc., Order of Suspension of Trading

June 18, 2015.

It appears to the Securities and Exchange Commission ("Commission") that there is a lack of current and accurate information concerning the

securities of GSP-2, Inc. ("GSPO"<sup>1</sup>) (CIK No. 1497644), a revoked Nevada corporation whose principal place of business is listed as Gongzhuling City, Jilin Province, China because it is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended September 30, 2013. As of June 10, 2015, GSPO's common stock was quoted on OTC Link (previously "Pink Sheets") operated by OTC Markets Group Inc. On November 19, 2014, the Commission's Division of Corporation Finance sent a delinquency letter to GSPO at the address shown in its then-most recent filing in the Commission's EDGAR system requesting compliance with its periodic filing requirements, which GSPO failed to receive because the letter was undeliverable as addressed. GSPO thus failed to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual). To date, GSPO has failed to cure its delinquencies.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company. Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT on June 18, 2015, through 11:59 p.m. EDT on July 1, 2015.
