Availability and Summary of Documents Proposed for Incorporation by Reference

This document proposes to amend FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014, and effective September 15, 2014. FAA Order 7400.9Y is publicly available as listed in the ADDRESSES section of this proposed rule. FAA Order 7400.9Y lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

This action proposes to amend Title 14, Code of Federal Regulations (14 CFR), Part 71 by establishing Class E en route domestic airspace extending upward from 1,200 feet above the surface at the Newberry VOR/DME navigation aid, Newberry, MI. This action would contain aircraft while in IFR conditions under control of Minneapolis ARTCC by safely vectoring aircraft from en route airspace to terminal areas.

Class E airspace areas are published in Paragraph 6006 of FAA Order 7400.9Y, August 6, 2014, and effective September 15, 2014, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document would be published subsequently in the Order.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and

Procedures” prior to any FAA final regulatory action.

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

- 1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

- 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014, and effective September 15, 2014, is amended as follows:

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would amend controlled airspace at Ohio State University Airport, Columbus, OH.

Comments Invited

Interested parties are invited to participate in this proposed rulemaking by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal. Communications should identify both docket numbers and be submitted in triplicate to the address listed above. Commenters wishing the FAA to acknowledge receipt of their comments on this notice must submit with those comments a self-addressed, stamped postcard on which the following statement is made: "Comments to Docket No. FAA–2015–1649/Airspace Docket No. 15–AGL–6." The postcard will be date/time stamped and returned to the commenter.

Availability and Summary of Documents Proposed for Incorporation by Reference

This document proposes to amend FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014, and effective September 15, 2014. FAA Order 7400.9Y is publicly available as listed in the **ADDRESSES** section of this proposed rule. FAA Order 7400.9Y lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

This action proposes to amend Title 14, Code of Federal Regulations (14 CFR), Part 71 by modifying Class D and E airspace in the Columbus, OH, area. Decommissioning of the Dan Scott NDB navigation aid and cancellation of the NDB approach at Ohio State University Airport has made this action necessary. Class E airspace designated as an extension to Class D would be removed as it is no longer required. Class E airspace extending upward from 700 feet above the surface at Port Columbus International Airport would be reconfigured due to the Dan Scott NDB decommissioning. The geographic coordinates of Ohio State University Airport and Port Columbus International Airport would be updated to coincide with the FAA's aeronautical database.

Class D and E airspace designations are published in Paragraph 5000, 6004,

and 6005, respectively, of FAA Order 7400.9Y, dated August 6, 2014, and effective September 15, 2014, which is incorporated by reference in 14 CFR 71.1. The Class D and E airspace designations listed in this document will be published subsequently in the Order.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

FEDERAL TRADE COMMISSION**16 CFR Part 313**

RIN 3084-AB42

Amendment to the Privacy of Consumer Financial Information Rule Under the Gramm-Leach-Bliley Act

AGENCY: Federal Trade Commission (FTC or Commission).

ACTION: Notice of proposed rulemaking; Request for public comment.

SUMMARY: The FTC proposes to amend the Privacy of Consumer Financial Information Rule (Privacy Rule or Rule), which among other things requires that certain motor vehicle dealers provide an annual disclosure of their privacy policies to their customers by hand delivery, mail, electronic delivery, or, alternatively through a Web site, but only with the consent of the consumer. The amendment would allow motor vehicle dealers instead to notify their customers that a privacy policy is available on their Web site, under certain circumstances. The amendment would also revise the scope and definitions in this rule in light of the transfer of part of the Commission's rulemaking authority to the Consumer Financial Protection Bureau (CFPB or the Bureau) in the Dodd-Frank Wall Street Reform and Consumer Protection Act, but retains certain examples for purposes of the FTC's Safeguards Rule.

DATES: Comments must be received on or before August 31, 2015.

ADDRESSES: Interested parties may file a comment online or on paper, by following the instructions in the Request for Comment part of the **SUPPLEMENTARY INFORMATION** section below. Write "Amendment to the Privacy of Consumer Financial Information Rule, 16 CFR part 313, Project No. R411016" on your comment, and file your comment online at <https://ftcpublish.commentworks.com/ftc/GLBPrivacyamendment>, by following the instructions on the web-based form. SUPPLEMENTARY INFORMATION:**I. Summary of the Proposed Rule**

The Gramm-Leach-Bliley Act (GLBA)¹ mandates that financial institutions provide their customers with initial and annual notices regarding their privacy policies. If financial institutions share certain customer information with particular types of third parties, the institutions are also required to provide an opportunity to opt out of the sharing. The Commission issued its rule implementing these provisions in 2000.² The Dodd-Frank Wall Street Reform and Consumer Protection Act transferred GLBA privacy notice rulemaking authority, in part, to the Bureau; however, the Commission retains rulemaking authority over any financial institution that is a motor vehicle dealer predominantly engaged in the sale and servicing of motor vehicles, the leasing and servicing of motor vehicles, or both, as described in Section 1029 of the Dodd-Frank Act, 12 U.S.C. 5519 (hereafter, motor vehicle dealers).

The Commission proposes to revise its Privacy Rule, 16 CFR part 313, in two ways. First, in light of the transfer of rulemaking authority for certain financial institutions to the Bureau, the Commission proposes to revise the explanation of the scope of the Rule and to tailor the examples provided in the Rule's *Definitions* section describing entities over which the Commission has retained rulemaking authority. The Commission believes that revising these provisions will eliminate extraneous information, clarify the Rule's applicability, and reduce confusion as to entities covered by the Rule. The Rule also retains several examples explaining the types of entities covered by the Safeguards Rule, 16 CFR part 314. Second, the Commission proposes to provide an alternative means for covered motor vehicle dealers to fulfill their obligation under the Privacy Rule to provide notice of their privacy policies. Under the proposal, motor vehicle dealers that do not engage in certain types of information-sharing activities would no longer be required to mail an annual privacy notice if they clearly and conspicuously convey, as
