

Agreement or Letter of Intent (LOI) respectively, (2) for the GPP, reporting to EPA, on an annual basis, their progress toward their green power commitment via a 3-page reporting form; (3) for the CHP Partnership, reporting to EPA information on their existing CHP projects, new project development, and other CHP-related activities via a one-page reporting form (for projects) or via an informal email or phone call (for other CHP-related activities). GPP partners that wish to receive additional recognition for their effort in green power use and promotion may submit an application for the Green Power Leadership Award. EPA uses the data obtained from its Partners to assess the success of these programs in achieving their national energy and greenhouse gas (GHG) reduction goals. Partners are organizational entities that have volunteered to participate in either Partnership program.

Respondents/affected entities:

Organizations participating in the Green Power Partnership program and the Combined Heat and Power Partnership program.

Respondent's obligation to respond:

Voluntary.

Estimated number of respondents: 2,565 (total).

Frequency of response: One time, annually, on occasion.

Total estimated burden: 6,624 hours (per year). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$822,459 (per year), includes \$7,695 annualized capital or operation & maintenance costs.

Changes in the Estimates: There is an increase of 801 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. Since the last ICR renewal, both the Green Power Partnership and CHP Partnership have introduced program efficiencies to reduce program burden by encouraging the electronic submission of documents. The average number of hours per Partners has increased slightly from 3.25 to 3.58, the

total hourly burden increased primarily due to an increase in the number of Partners in both programs and for the addition of the Green Power Leadership Award application.

Acting Director, Collection Strategies Division.
