1. Monitoring the NAGPRA inventory and identification process;
2. Reviewing and making findings related to the identity or cultural affiliation of cultural items, or the return of such items;
3. Facilitating the resolution of disputes;

At least two of these members must be traditional Indian religious leaders. Three members are appointed from nominations submitted by national museum or scientific organizations. One member is appointed from a list of persons developed and consented to by all of the other members.

Members serve as Special Governmental Employees, which requires completion of annual ethics training. Members are appointed for 4-year terms and incumbent members may be reappointed for 2-year terms.
