SSA submitted the information collection below to OMB for clearance.

Your comments regarding the information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than August 6, 2015. Individuals can obtain copies of the OMB clearance package by writing to OR.Reports.Clearance@ssa.gov.

1. Authorization for the Social Security Administration to Obtain Personal Information—20 CFR 404.704; 404.820—404.823; 404.1926; 416.203; and 418.3001—0960—NEW. SSA requests respondents fill out Form SSA-8510, allowing SSA to contact a public or private custodian of records on behalf of an applicant or recipient of an SSA program to request evidence information, which may support a benefit application or payment continuation. We ask for evidence information such as the following:

- Age requirements (e.g. birth certificate, court documents)
- Insured status (e.g. earnings, employer verification)
- Marriage or divorce information
- Pension offsets
- Wages verification
- Annuities
- Property information

- Benefit verification from a State agency or third party
- Immigration status (rare instances)
- Income verification from public agencies or private individuals
- Unemployment benefits
- Insurance policies

If the custodian requires a signed authorization from the individual(s) whose information SSA requests, SSA may provide the custodian with a copy of the SSA-8510. Once the respondent completes the SSA-8510, either using the paper form, or using the Modernized Supplemental Security Income Claims System (MSSICS) version, SSA uses the form as the authorization to obtain personal information regarding the respondent from third parties until the authorizing person (respondent) revokes the permission of its usage. The collection is voluntary; however, failure to verify the individuals' eligibility can prevent SSA from making an accurate and timely decision for their benefits. The respondents are individuals who may file for, or currently receive, Social Security benefits, SSI payments, or Medicare part D subsidies.

Type of Request: Information Collection in Use Without an OMB Number.

Abstract of Proposed Collection

The Affidavit of Relationship (AOR) will be required by the Department of State to establish qualifications for access to the Priority-3 (P-3) Family Reunification category of the United States Refugee Admissions Program (USRAP) by persons of certain nationalities who are family members of qualifying “anchors” (persons already admitted to the U.S. as refugees or who were granted asylum in the United States., including persons who may now be lawful permanent residents or U.S. citizens). Qualifying family members of U.S.-based anchors include spouse,

unmarried children under age 21, and parents. Eligible nationalities are determined on an annual basis following careful review of several factors, including the United Nations High Commissioner for Refugees’ annual assessment of refugees in need of resettlement, prospective or ongoing repatriation efforts, and U.S. foreign policy interests. The P-3 category, along with the other categories of cases that have access to USRAP, is outlined in the annual Proposed Refugee Admissions—Report to Congress, which is submitted on behalf of the President in fulfillment of the requirements of section 207(d) of the Immigration and Nationality Act (8 U.S.C. 1157), and authorized by the annual Presidential Determination for Refugee Admissions. Having an AOR filed on a potential applicant’s behalf by an eligible anchor relative will be one of the criteria for access to this program. The AOR also informs the anchor relative that DNA evidence of all claimed parent-child relationships between the anchor relative and parents and/or unmarried children under 21 will be required as a condition of access to P-3 processing and that the costs will be borne by the anchor relative or his/her family members who may apply for access to refugee processing, or their derivative beneficiaries, as the case may be. Successful applicants may be eligible for reimbursement of DNA test costs.

Methodology

This information collection currently involves the limited use of electronic techniques. Anchors in the United States may visit any resettlement agency throughout the United States to complete the AOR. Resettlement agencies are organizations that work under a cooperative agreement with the Department of State. In order to file an AOR, an individual must be at least 18 years of age and have been admitted to the United States as a refugee or granted asylum in the United States no more than five years prior to the filing of the AOR. The DS-7656 form will be available electronically and responses will be completed electronically with the aid of resettlement agency staff. Completed AORs will be printed out for ink signature by the respondents and will be scanned and submitted electronically to the Refugee Processing Center (RPC) by the resettlement agencies for downloading into the Worldwide Refugee Admissions Processing System (WRAPS) for data entry and case processing. A signed paper copy of the AOR will remain with resettlement agencies.

Dated: June 24, 2015.

Principal Deputy Assistant Secretary, Bureau of Population, Refugees and Migration, Department of State.
