SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75358; File No. SR-NYSEMKT-2015-45]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the NYSE Amex Options Fee Schedule To Discontinue Certain Fees

July 2, 2015.

Pursuant to section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the "Act") ² and Rule 19b-4 thereunder, ³ notice is hereby given that, on June 30, 2015, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Amex Options Fee Schedule ("Fee Schedule") to discontinue certain fees. The Exchange proposes to implement the fee change effective July 1, 2015. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to discontinue certain fees as described below. The Exchange proposes to implement the fee change effective July 1, 2015.

The Exchange proposes to discontinue fees for certain Manual transactions in options overlying IWM (the iShares Russell 2000 ETF).⁴ In April 2015, the Exchange implemented special pricing for IWM to encourage increased Manual trading in the product and to offset losses of Manual transactions associated with options in the iShares Russell Index (RUT), which is exclusively trading on another venue.⁵ The Exchange does not believe that the special pricing in IWM has achieved its intended objective of attracting additional volume.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of sections 6(b)(4) and (5) of the Act,⁷ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes the proposed fee change is reasonable and equitable because the discontinuance of the special pricing for Manual transactions

in IWM will result in Manual transactions in all symbols being subject to the same pricing. The Exchange further believes the proposed rule change is equitably allocated and not unfairly discriminatory because it treats similarly situated market participants in the same manner.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with section 6(b)(8) of the Act,⁸ the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to section 19(b)(3)(A)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule

change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal offices of the Exchange. ⁴ The Commission notes that as described further below, the special pricing for Manual transactions in options overlying IWM is being discontinued, which will result in Manual transactions in all symbols being subject to the same pricing.

⁵ See Exchange Act Release No. 74693 (April 9, 2015) 80 FR 20278 (April 15, 2015) (SR-NYSEMKT-2015-26). Specifically, the Exchange offered volume discounts for manual transactions in IWM to Broker-Dealers, Firms, NYSE Amex Options Market Makers, non-NYSE Amex Options Market Makers and Professional Customers. As is the case today, Customers are not charged for manual transactions in IWM.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75355; File No. SR-NSX-2015-03]

Self-Regulatory Organizations; National Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 4.3, Record of Written Complaints

July 2, 2015.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the “Exchange Act” or “Act”) ¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 23, 2015, National Stock Exchange, Inc. (the “Exchange” or “NSX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change, as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposed rule change as “non-controversial” pursuant to section 19(b)(3)(A) of the Act ³ and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is proposing to amend Exchange Rule 4.3, Record of Written Complaints, to conform the requirements of the rule to those contained in the rules of other self-regulatory organizations (“SROs”). The Exchange is also proposing to amend Rule 4.3 to eliminate a requirement that complaints and actions with respect thereto be forwarded promptly to the Exchange. The text of the proposed rule change is available on the Exchange’s Web site at www.nsx.com, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and statutory basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, Rule 4.3(a) requires that each Exchange Equity Trading Permit (“ETP”) Holder ⁵ keep and preserve a file of all written customer complaints ⁶ and action taken by the ETP Holder with respect to such complaints, for a period of not less than five years, the first two of which must be in a readily accessible place. The Exchange proposes to amend the rule to reduce the retention period for records of customer complaints and ETP Holder actions with respect thereto from five years to four years, the first two of which must be in a readily accessible place.

The Exchange’s proposed rule change will align the retention period prescribed in Exchange Rule 4.3(a) with the retention periods for customer complaint information prescribed in the rules of other SROs. For example, FINRA Rule 4513 requires that FINRA members keep and preserve a record of customer complaints and any action taken by the FINRA member with respect to such complaints for a period of not less than four years.⁷ Other

national securities exchanges that previously had a five-year retention period for customer complaint information have amended their rules to reduce the record retention period for this information from five years to four years.⁸ The Exchange believes that amending Rule 4.3 to align its recordkeeping provisions with those contained in the rules of other SROs will promote consistency and uniformity, enhance regulatory efficiencies, and reduce the compliance burden on ETP Holders that would result from the application of different retention periods for customer complaints and any actions with respect thereto.

The Exchange is proposing to further amend Rule 4.3 by deleting paragraph (b), which provides that, upon an ETP Holder’s receipt of a complaint, a copy shall be forwarded promptly to the Exchange and a report of the action taken by the ETP Holder on the complaint shall also be forwarded to the Exchange. The Exchange notes that this requirement to report upon receipt of a customer complaint and upon any action with respect thereto is not present in the rules of other SROs.⁹ The Exchange believes that maintaining a separate and distinct reporting requirement for customer complaints and actions in response thereto would be contrary to the considerations of uniformity and consistency that the Exchange is seeking to advance in proposing the amendments to Rule 4.3.

The Exchange notes that there are already mechanisms in place in the securities industry that provide for the prompt reporting of complaints, settlements and other matters that present issues of potential regulatory concern (*e.g.*, written complaints

office (including complaints that relate to activities supervised from that office) and action taken by the member, if any, or a separate record of such complaints and a clear reference to the files in that office containing the correspondence connected with such complaints. Rather than keep and preserve the customer complaint records required under this Rule at the office of supervisory jurisdiction, the member may choose to make them promptly available at that office, upon request of FINRA.”

⁸ See, *e.g.*, BATS Exchange, Inc. and BATS Y-Exchange Inc. Rule 4.3; See also Securities Exchange Act Release No. 74656 (April 6, 2015), 80 FR 19381 (April 10, 2015) (SR-BATS-2015-25) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Rule 4.3, Record of Written Complaints) and Securities Exchange Act Release No. 74703 (April 10, 2015), 80 FR 20520 (April 16, 2015) (SR-BYX-2015-20) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend Rule 4.3, Record of Written Complaints).

⁴ 17 CFR 240.19b-4(f)(6)(iii).

⁵ Rule 1.5E.(1) defines ETP as the Equity Trading Permit issued by the Exchange for effecting approved securities transactions on the Exchange’s trading facilities.

⁶ Current Rule 4.3(c) defines a “complaint” as “any written statement of a customer or any person acting on behalf of a customer alleging a grievance involving the activities of an ETP Holder or persons acting under the control of the ETP Holder in connection with (1) the solicitation or execution of any transaction conducted or contemplated to be conducted through the facilities of the Exchange or (2) the disposition of securities or funds of that customer which activities are related to such a transaction.”

⁷ FINRA Rule 4513 requires that “[e]ach [FINRA] member shall keep and preserve in each office of supervisory jurisdiction either a separate file of all written customer complaints that relate to that
