RIN 2900–AP22

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Updating References

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is amending its regulations with updated citations and references to Office of Management and Budget (OMB) authorities for Federal grant programs. OMB has issued final guidance, located in Title 2 of the Code of Federal Regulations (CFR), which streamlines and supersedes requirements previously found in various OMB Circulars. VA has adopted OMB’s guidance, and this rule replaces the obsolete OMB references in VA’s regulations.

DATES: This final rule is effective July 22, 2015.

FOR FURTHER INFORMATION CONTACT:

Brian McCarthy, Office of Regulatory and Administrative Affairs (10B4), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Ave. NW., Washington, DC 20420, (202) 461–6345. (This is not a toll-free telephone number.)

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) is streamlining the Federal government’s guidance on Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards. In a document published in the **Federal Register** on December 26, 2013 (78 FR 78590), OMB adopted final guidance, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), that supersedes and streamlines requirements from OMB Circulars A–21, A–87, A–110, and A–122 (which have been placed in OMB guidances); Circulars A–89, A–102, and A–133; and the guidance in Circular A–50 on Single Audit Act follow-up. The final guidance is located in title 2 of the Code of Federal Regulations (CFR).

On December 19, 2014, OMB published a joint interim final rule in the **Federal Register** (79 FR 75871). OMB made technical corrections to the Uniform Guidance, and Federal awarding agencies, including VA, implemented the guidance in their respective chapters of title 2 of the CFR. VA amended title 2 of the CFR to add part 802. Section 802.101 of title 2 CFR now provides, “The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards set forth in 2 CFR part 200 shall apply to the Department of Veterans Affairs.” VA also removed parts 41 and 43 from title 38 CFR. Those parts codified OMB Circulars that were superseded by the Uniform Guidance.

Because of these changes, existing references in VA’s regulations to the superseded OMB guidance documents and to parts 41 and 43 are obsolete. Accordingly, we are amending various VA regulations located in 38 CFR parts 17, 39, 48, 51, 52, 53, 59, 61, 62, and 64 to replace the obsolete references with references to the current authority. For the same reason, we are removing part 49 of title 38 CFR, which codified OMB Circular A–110, and amending VA’s regulations referencing part 49 to reference 2 CFR part 200 instead.

Administrative Procedure Act

The Secretary of Veterans Affairs finds there is good cause under the provisions of 5 U.S.C. 553(b)(B) and (d)(3) to publish this rule without prior

opportunity for public comment and with an immediate effective date. This rule does not amend the substantive content of the regulations cited. We are merely making technical revisions to replace obsolete OMB references and citations in existing VA regulations because 2 CFR part 200, which VA is adopting, supersedes OMB's previous guidance. We are also deleting existing references to parts 41 and 43 of 38 CFR, which were removed from 38 CFR by the interim final rule published on December 19, 2014 (79 FR 75871), and removing part 49 of title 38 CFR and existing references to part 49, which codified OMB guidance that was superseded by the Uniform Guidance. Because these changes are merely technical, advance notice and public comment are unnecessary and we find good cause to make these necessary changes effective immediately upon publication.

Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 12866 (Regulatory Planning and Review) defines a "significant regulatory action," which requires review by OMB, unless OMB waives such review, as "any regulatory action that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order."

The economic, interagency, budgetary, legal, and policy implications of this regulatory action

have been examined, and it has been determined not to be a significant regulatory action under Executive Order 12866. VA's impact analysis can be found as a supporting document at <http://www.regulations.gov>, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA's Web site at <http://www.va.gov/orpm/>, by following the link for "VA Regulations Published From FY 2004 Through Fiscal Year to Date."

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (5 U.S.C. 601–612) because the amendments are merely technical in nature. Therefore, pursuant to 5 U.S.C. 605(b), this final rule is exempt from the final regulatory flexibility analysis requirements of section 604.

Unfunded Mandates

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This final rule will have no such effect on State, local, and tribal governments, or on the private sector.

Paperwork Reduction Act

This final rule contains no provisions constituting a collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3521).

The Catalog of Federal Domestic Assistance numbers and titles for the programs affected by this document are 64.005, Grants to States for Construction of State Home Facilities; 64.024, VA Homeless Providers Grant and Per Diem Program; 64.026, Veterans State Adult Day Health Care; 64.033, VA Supportive Services for Veteran Families Program; 64.034, VA Assistance to United States Paralympic Integrated Adaptive Sports Program; 64.037, VA U.S. Paralympics Monthly Assistance Allowance Program; 64.038, Grants for the Rural Veterans Coordination Pilot; 64.100, Automobiles and Adaptive Equipment for Certain Disabled Veterans and Members of the Armed Forces; 64.201, National Cemeteries; and 64.203, State Cemetery Grants.
